Owls' Newsletter

NOTES

Spring has finally arrived and we are loving it!! The kids are having a blast playing outside and we all love being coat/jacket free. I hope this weather is here to stay!

Tonight is the Sunflower House Presentation on Internet Safety. Everyone is welcome to attend. The presentation will be located in the cafeteria.

Next week, we move on to long vowel sounds. We will begin with Long A. Please note, that on Show and Tell days your child does **not** need to bring in something that starts with a long a sound. For example, your child could bring in a train, plane, or cake on Thursday. My vote is for the cake!!

WHAT WE ARE LEARNING

This week our themes are the Long Aa sound, Earth Day, Noah's Ark, Number Sense.
