NOTES

On next Tuesday, April 24, I will be in Topeka attending a workshop. Miss Rosie will be here and Mrs. Geller will be subbing for me. Mrs. Geller is a fantastic sub and she especially loves the preschoolers! Please email Miss Rosie if you need anything on Tuesday.

On Thursday we will be attending the 8th graders production of Monster's Inc. The kids are super excited to see the performance and I know the 8th grade will not disappoint!

This past Monday, during our Collaboration Class with the 8th graders the extended afternoon preschoolers created Recycled Sculptures for Earth Day. The kids had a blast and came up with some very creative creations. They are on display outside the library. if you would like to check them out
