

**Mount Saint Francis & Covid – 19
Status Update for 8/18/2021**

The Mount Saint Francis Center for Spirituality is open for ministry. Although our Chapel is only open to the public on Sundays for Mass at 10:00am until further notice we are happy to offer the following venues for individuals, small groups, rentals and classes:

- **The Garden and Lake Shelters**
 - **The Hermitage**
 - **The Loftus House**
 - **The Water Garden Patio**
 - **The Calving Barn Studios**
 - **The Pump House Studio**
- **The Main Center Meeting and Dining Rooms**

The grounds are open to the public for prayer and walking during the day between dawn and dusk.

Mount Saint Francis Center for Spirituality observes every precaution recommended by the CDC, the State of Indiana, the Archdiocese of Indianapolis and the Franciscan Friars in the fight against the Covid-19 virus. The health and safety of our clients, visitors, friars and staff are of utmost importance. Therefore we observe the following:

- The wearing of face masks at all gatherings when in the buildings.**
- The practice of physical distancing both indoors and outdoors.**
- Frequent hand washing and the availability of hand sanitizers.**
- The sanitizing of frequently used areas before and after groups.**

With the generous financial and spiritual support of our friends and neighbors we hope to be able to provide, for years to come, a place of refuge and ministry for many. Together, with God's help, we will get through this. Please watch for further updates.

In Christ,

The Friars and Staff
