Nathan Kasprzak Eagle Scout Service Project Fundraiser**

I will be building a picnic area on the side of St. Mark's where there used to be a playground. In the area there will be crushed stone surrounded by landscape timbers and will have four picnic tables built by myself and my troop. This area can be used after mass to sit and enjoy coffee and donuts or by the youth groups for some outdoor learning. My fundraising goal for the project is \$1200. Every extra cent over that goes back to St. Mark's for any future projects. Thank you so much for your purchase. I can guarantee you a product of the highest quality.

Please use the Google Form on this web page to order a plaque. Use the Venmo account @Kelly-Kasprzak-1 to pay that way. If you are paying with a check, please make it out to Troop 11 and mail that to St. Mark's. If you are paying with cash, please send that to St. Mark's as well.
