

St. Mark the Evangelist 40th Anniversary - Order Form

To celebrate our 40th Anniversary we designed a St. Mark's keepsake ornament to commemorate this moment in the life of our parish! These cherry ornaments are 3D laser printed with an image of the newly renovated sanctuary. All proceeds will go toward replacing the floors on the first floor of our Parish Center (including the restrooms) which is greatly needed.

To order, please complete form below and return to the Welcome Center, Offertory box or Parish Office. Payment must accompany form.
