Message from the Pastor

A very happy Mother's Day to all the moms and grandmothers out there. I hope you have a very special day on Mother's Day this year.

There is nothing like the bond between a mother and her child. It's as strong as steel and as tender as a flower blossom. Your mom is your best friend, who cares for you no matter what. How heartbreaking to see the tears in a mother's eyes when her child has gone astray or suffers some other unfortunate situation. It's as if she feels it with them. Our mothers are a part of us. Their blood brought us the nutrients that gave us growth in their wombs, nestled in the amniotic fluid, our hearts beating side by side.

In the mother's womb, there is no place where the baby is more dependent, the umbilical tube cord linking mother to child and sustaining that young human life.

That is what makes the sin of abortion all the more horrible. That we would even dare rationalize and even promote the ending of an innocent life, so vulnerable, so dependent. The child in the womb has no voice, yet it cries out and cringes from the abortive entry into the sanctuary of life that is the womb.

How can political candidates say that it's all about the woman's choice over her reproductive system? Where is the choice for that pre-born infant? How can we possibly consider voting for a politician who upholds the woman's so-called right to choose, when that choice means the death of an innocent, vulnerable little human life?

Should we have such a litmus test in voting? YES!!! All other issues and opinions are of a secondary nature compared with the Right to Life of the Unborn. Period. End of conversation.

Until we vote according to Pro-Life principles, our country will continue on this downward spiral into moral chaos and finally oblivion.

It took the Civil Rights Movement a hundred years to finally conquer the systematic racism of our country. Let's hope that we go a little quicker with the Right to Life Movement. A good start would be to elect a Pro-Life president and more and more Pro-Life legislators. Pro-Life will win in the end. Life always conquers, and God is on the side of life. Let's just hope our great nation will not fall victim to the culture of death and collapse before it does.

Fr. Barry

Virtue of the month: Gratitude

Two Wonderful Days at Holy Rosary School

Dog Day with Dads was celebrated on April 22nd in the Holy Rosary Cafeteria. Dads and grandpas joined their students for a lunch of hot dogs and chili dogs. Gia and her dad Bill shared a packed lunch together. As folks finished eating, men and students met outside to play a variety of games. Jay and his sons played ball with Seth. Two kickball games were played on two fields. Soccer balls were flying and the playground toy was packed full. As a matter of fact, Emma in grade 2 caught her first fly ball, and I do believe that Lukas in Grade 8 caught Nora's dad's huge kick! No one will ever know the final score of those games, but we had quite a few dads who had a hard time saying good-bye after an extra-long recess. It was a great day. Thank you to Mrs. Bayham in the cafeteria who was willing to cook up so much food.

Take Mom Out to the Ballgame was celebrated on April 26th with a night out for sons and moms at the St. Marys Varsity Baseball game vs. Bath. Boys and Moms were able to see our Roughriders put one in the win column during a windy game. Our young men went out on the diamond and sang the National Anthem to start the game off, watched our Riders, including some Holy Rosary former students, and then ran the bases after the big win. Hot dogs, chips, juices, and many prizes were enjoyed by all. Door prizes were given for moms and for sons. A huge thank you to our SMCS Athletic Department for their hospitality, and another thank you to the varsity team who welcomed our boys and four signed balls which were prizes. We had a nice group of moms and Mrs. Buck who organized this night out. Thank you to all of them as well.
