Message from the Pastor

Last Saturday evening, we had our Reverse Raffle. It was, as far as I can tell, a great success thanks to all of you who participated and to all those who helped organize it and get things going behind the scenes! Between putting together baskets for prizes, selling tickets after Mass, organizing chicken supplies, among numerous other small but important tasks, it was a herculean effort and will help the parish immensely.

The Reverse Raffle was the parish's response to not being able to have a festival this year due to Covid restrictions. The Festival Committee could have called it quits for this year and just hoped for the best for the parish. Instead they trusted in Christ, got creative, took a risk, dug in, and fought for their parish. I couldn't be more proud of that reaction. The relief this brings to me as the pastor can't be understated. Thanks to people's generosity, we're still running and we're still able to do the things we want to do to move our parishes along towards Christ.

I hope that people look at this as a palpable reminder that with Christ and a lot of hard work, we can overcome any obstacle that stands in our way. I'm sure there were days when the Festival committee felt overwhelmed, outgunned, and like failure was imminent. Similarly, I'm sure there are days when we feel overwhelmed, outgunned, and like failure is imminent in our spiritual lives. Sometimes it feels like nothing I do turns out well or that I keep doing the things I don't want to do, while I don't do the things I want to do. We can feel like we're going to be a spiritual failure. But trusting in Christ and working hard, recommitting ourselves in the moment, all of that leads to a formula for spiritual success!

Your pastor,

Fr. Witt
