August 27, 2021

My brothers and sisters in Christ:

Please join me in praying for the 13 U.S. service members who were killed, 18 wounded and dozens of civilians in the attacks directly outside the Kabul airport.

May the assistance which is needed to get our U.S. citizens and allies out be provided for quickly. May our U.S. military men and women be protected throughout this dangerous evacuation.

Most Reverend Daniel E. Garcia
Bishop of Monterey
