

*ST MARY OUR LADY OF THE DUNES
CATHOLIC CHURCH
FLORENCE OREGON 47439*

July 14 2020

Dear Parishioners

Hope you have been safe and spending your time fruitfully
We pastors, had a zoom meeting with Archbishop and other priests.
Though the Governor has rolled back the numbers for Portland area
we are allowed to continue with the same number as now
Archbishop has said again that only Pastors visiting the home bound
and not lay Eucharistic ministers
The latest cases involve younger people from 20-30

We are kind of getting comfortable with TV Mass.
In this crisis situation it may feel right.
But we are people of God only when we gather together
in the church as a body we can really worship God.
Looking at a picture of dinner can not satisfy our hunger
or looking at a picture of bottle of water can we quench our thirst
Jesus says to us Do not be afraid Peace be with you.
He means it and we need to place our trust in you

We appreciate you contributions through mail, office drops, in person
offertory. If you have any questions or **need any help or know of
anybody needing** help call us: Parish Office at 541 997 2312
Those who are sick and have health issues please stay home safe.

Fr Panneer Selvam
