CHOOSE LIFE

Planned Parenthood recently endorsed an online article by a woman who had both miscarriages and an abortion, claiming that the two events are “sisters.” This provoked an outraged response from many women who have suffered miscarriages, one writing, “As a woman who has endured the heartbreak of a miscarriage, I can’t express how shocked and insulted I was by the absurdity of the comparison. How dare the writer imply that the loss of a child through an act of nature is similar to a mindful choice to kill a baby in the womb?” LifeNews.com 12/28/17

"Faith is a gift and an act that has to do with us personally, but God calls us to live our faith together, as a family, as the Church. Let us ask the Lord ... that our communities, that all the Church, be ever more truly families that live and bring the warmth of God."

- Pope Francis

CONTACT YOUR LEGISLATORS TO OPPOSE ASSISTED SUICIDE

New Jersey
"Aid in Dying for the Terminally Ill" Act
A1504/S1702

On Monday, March 12th, the Assembly Judiciary Committee released the Aid in Dying for the

Terminally Ill Act (A1504). The bill will now be voted on by the General Assembly. The bill would allow physicians to prescribe drugs to end the lives of terminally ill individuals considered to have six months to live.

The facts are clear—in California, in Vermont and in Oregon—states that have passed assisted suicide bills—insurance companies have denied individuals expensive healthcare coverage but offered them low cost drugs to end their life.

In an era of cost control and managed care, patients with lingering illnesses may be branded as a financial liability for the insurance company, and decisions to encourage death could be driven by reducing costs.

Please contact your state legislators today and tell them that you oppose A1504/S1072. Visit: <http://njcatholic.org/faith-in-action>.
