CHOOSE LIFE

A pro-abortion writer and mother defended aborting her first child during her college years, claiming it is best when women can decide when to be mothers. Sarah Bregel in an article in Marie Claire magazine described her aborted baby as her "almost-child," but that is not a true statement because her child already existed, and she already was a mother. Her abortion ended her child's life. LifeNews.com 12/26/17.

**New Jersey
"Aid in Dying for the
Terminally Ill" Act
A1504/S1702**

**CONTACT YOUR
LEGISLATORS TO OPPOSE
ASSISTED SUICIDE**

On Monday, March 12th, the Assembly Judiciary Committee released the Aid in Dying for the

Terminally Ill Act (A1504). The bill will now be voted on by the General Assembly. The bill would allow physicians to prescribe drugs to end the lives of terminally ill individuals considered to have six months to live.

The facts are clear—in California, in Vermont and in Oregon—states that have passed assisted suicide bills—insurance companies have denied individuals expensive healthcare coverage but offered them low cost drugs to end their life.

In an era of cost control and managed care, patients with lingering illnesses may be branded as a financial liability for the insurance company, and decisions to encourage death could be driven by reducing costs.

Please contact your state legislators today and tell them that you oppose A1504/S1072. Visit: <https://njcatholic.org/faith-in-action>.
