

The Vocations Committee of St. Peter Parish invites you to....

FAMILIES INVITING SEMINARIANS HOME

Everyone enjoys a “home away from home,” and the seminarians at St. Joseph Seminary College are no exception!

The Vocations Committee invites St. Peter Parish families to prayerfully consider a grace-filled opportunity: open your home and family-life to seminarians studying at the Abbey. Everyone wins in **FISH**:

you and your family are blessed by the new friendship, Christian formation, and deep faith of these young men discerning their vocations, and the seminarians are blessed by the warm, welcoming environment of family life, occasional home-cooked meals, and a new relationship away from home.

Please fill out the registration form below and return to the rectory:
