

Our Lady of Knock Shrine

A Roman Catholic pilgrimage site and National Shrine in the village of Knock, County Mayo, Ireland, where observers stated that there was an apparition of the Blessed Virgin Mary, Saint Joseph, Saint John the Evangelist, angels, and Jesus Christ (the Lamb of God) in 1879.

A number of cures and favors are associated with visitors to Our Lady of Knock's Shrine and those who claim to have been cured here still leave crutches and sticks at the spot where the apparition is believed to have occurred.
