## A Catholic Book Study for Mothers and Mothers-to-Be

*You are invited to journey with us as we strive to understand, embrace, and live our vocation of motherhood.*

Drawing from the deep tradition of the Catholic faith, Catholic author Lisa Henhey coaches Catholic moms how to care for themselves—heart, mind, body, and soul—so that they can better love and care for their families, their neighbors, and their Church. By sharing her own story, Henhey inspires readers to better balance their own needs with the demands of family life and faith commitment.
