Little Flowers is a program designed to build virtue for girls ages 5-10, through fellowship, activities, service projects, prayer, and study of virtuous Catholic saints. Mothers or Grandmothers attend with their Little Flower(s). It is not a drop-off program. *Please note that breastfeeding babies are welcome, but we cannot accommodate other siblings.*

Little Flowers complete one of five Wreaths each year. Each year consists of a list of saints and virtues to be covered. Each Little Flower's family will order a sash, virtue patches, and Member's Guide for the year's Wreath at

(Purchase information will also be emailed to members once registrations are processed.)

Junior Flowers builds on the virtues learned by assisting the Little Flowers and Leadership Team in activities and service projects, and is a drop-off program. (But we love Safe Environment trained volunteers, so let us know if you'd like to stay!)

Pre-packaged snacks and drinks will be provided to Little Flowers and their moms, as well as the Junior Flowers.
