

St. Peter CYO Scripture Study 2020-2021

We are starting a CYO Scripture Study for the 2020-2021 school year.

We will be using Ascension Press materials this year:

Week of July 20 - December 7 - "*James: Pearls of Wisdom*" (11 meetings)

Week of January 18 - May 24 - "*Unlocking the Mystery of the Bible*" (8 meetings)

We plan to meet in person when we can while adhering to social distancing guidelines.

Times and days will be determined once registration is complete.

Small groups will most likely meet on Monday, Wednesday or Thursday afternoon or evenings.

We will not meet on Tuesday or Sunday evening.

Meetings will last approximately one hour every other week.

Groups will be assigned by age and gender. If you wish to be in a group with someone, please list that person on the Scripture Study registration form.

At times we may meet online using Skype or Google Meets and participate in discussion forums using Edmodo.

There will be at least one adult leader for each small group.

In order to get the most out of the study, please be ready to participate. There are no requirements to participate. However, the more work you put in before we meet will make a difference. Reading the assigned Scripture verses, using the workbook, and watching the videos on your own time will be opportunities for you to grow in your love of God's Word.

Although doing some work the week before class is best, we want you to participate even if you were not able to put in any work for that week. Just showing up to the small group and listening is enough. ***However, you should come ready to learn and listen.***

Discussion between small group members will not only help you but also your peers. This will be your small group for the year.

Note -We will not watch the videos at our group meeting. If you purchase materials, you should watch the video lessons prior to your group meeting. The meetings will be discussions. We will go through the questions in the workbook and discuss real life application. Meetings will last approximately one hour every other week.

Graduating seniors will be in groups for the remaining summer weeks and will move online beginning the week of August 17th.

You must be a member of the St. Peter CYO to participate. You can register for the youth group using the registration form on the website.

In order to participate, please have your parents complete the Scripture Study registration form and COVID Waiver Form.

If you have filled out the COVID waiver form you do not need to fill it out again.

Once you register, you will be contacted with further information regarding course materials, small groups, and meeting days/times. The first study begins the week of July 20th. Please register by July 8th.

Please contact Ashley at cyo@stpeterparish.com if you would like to join at some point during the year.
