Prayer of an Engaged Couple

Lord, Jesus, to teach us to love one another, You became one of us, taking as a tabernacle the body of Mary. You said: "Be one in each other, even as I and the Father are one." You have desired that [name] and I should live in You as with a single life, like two branches of a single vine, which Your providence has entwined. Let our love pass through You, that it may realize a perfect union, not only of our hearts but also of our souls, and that, growing from day to day, it may likewise increase our life in You. Help us to bring to our home enough beauty, health, thrift, strength, purity, and ideals, to make it a model of the new world we wish to build with You, and to give you priests, perhaps, but certainly apostles. With all this, let us never forget that it is through us that Your kingdom must be established—in factories, offices, shops, in all the places we frequent, in our streets and houses...on earth as in heaven. Have pity on all those youths and maidens whose hearts are wounded and whose dreams are broken. Guard the promises which have been made according to Your Spirit. And may Your blessing soon give us to each other forever. Amen.

Marriage Preparation

GOD’S PLAN FOR CHRISTIAN MARRIAGE

“God himself is the author of marriage. The vocation to marriage is written in the very nature of man and woman as they came from the hand of the Creator... Since God created him man and woman, their mutual love becomes an image of the absolute and unfailing love with which God loves man. It is good, very good, in the Creator's eyes “And God blessed them, and God said to them: 'Be fruitful and multiply, and fill the earth and subdue it.'” (CCC 1603, 1604).

This sacramental love for one another as husband and wife represents the mutual love of Christ for His bride, the Church, and the love of the Church for her bridegroom, Christ. The married couple is called to mirror that “absolute and unfailing love with which God loves man” - a love that is free, an act of the free will; total, sharing everything without reservation; faithful, exclusive of all others until death; and fruitful, cooperating with God in bringing new life into the world. (Humanae Vitae 9) This consent to emulate God’s love is affirmed in the vows the engaged couple pronounces on their wedding day and is completed in their marital embrace. These vows will be the blueprint for a happy, healthy and holy Christian marriage.

"The very preparation for Christian marriage is itself a journey of faith. It is a special opportunity for the engaged to rediscover and deepen the faith received in Baptism and nourished by their Christian upbringing.” (Familiaris Consortio 51) As engaged couples embark on this journey, they are encouraged to prayerfully seek the guidance of the Holy Spirit to recognize and accept the vocation to follow Christ and to proclaim and serve the Kingdom of God in the married state!

The Office of Marriage and Family Life, at the Directive of your Celebrant, will **enroll you in one of the following required Marriage Preparation Programs:** In-Home Mentor Couple program, Engaged Encounter , Archdiocesan Days for the Engaged, Online Preparation: (*military*), Special Marriage Preparation (*convalidation*)

*"And God blessed them, and God said to them:
'Be fruitful and multiply, and fill the earth and subdue it.' "* Gen 1: 28

THE MARRIAGE PREPARATION PROCESS

To ensure that engaged couples have adequate time to prepare for the sacrament in a meaningful way, they must **contact the Celebrant at least six months in advance of the wedding date**, and conclude a formal preparation process two months prior to the wedding. *Nine months to one year is ideal.* This preparation time is not just a “waiting period” for the ceremony, but rather an important, formative process in preparation for the lifetime journey on which the couple is about to embark. The guidance is designed to help the engaged couple evaluate their readiness to live married life, gain insights of themselves individually and as a couple, obtain a deeper understanding of the Sacrament of Matrimony, understand the mission of a married couple both in the Church and in society and develop a greater appreciation of their faith. (13.6.10.2) Once the engaged couple has scheduled an appointment with the celebrant, marriage readiness will be assessed, a marriage preparation process will be determined, documents necessary for a Catholic wedding will be reviewed and assistance with planning the Liturgy for the celebration will be forthcoming. A thorough review of this booklet will familiarize the couple with the various guidelines established for weddings at St. Peter Catholic Church. Our Wedding Coordinator looks forward to guiding the engaged couple through this process. The contact information, as well as other important phone numbers, may be found in the front pocket of this binder.

PLANNING YOUR FAMILY GOD’S WAY

NFP is a method for following God’s plan for achieving or avoiding pregnancy by using the physical means that God has built into human nature. “While reflecting the dignity of the human person within the context of marriage and family life, NFP promotes openness to life, and recognizes the value of the child. By respecting the love-giving and life-giving natures of marriage, NFP can enrich the bond between husband and wife.” (*Standards for Diocesan Natural Family Planning Ministry*, p. 23)

As part of the Marriage Preparation Process, **engaged couples are required to attend an Archdiocese of New Orleans Office of Marriage and Family Life approved Natural Family Planning Course.** The MFL offers several options: “Theology/Sexuality/Natural Family Planning Day for the Engaged Part B”, Northwest Sympto-Thermal, Creighton and Family Life of the Americas.

St. Peter Parish Office of Marriage and Family Life will provide the engaged couple with additional information about these and other classes. All courses are available through the Archdiocese of New Orleans Office of Marriage and Family Life.

Wedding Liturgy Coordinator

The Liturgical Wedding Coordinator for Saint Peter Parish is the official designated representative of the parish and is familiar with current policies and procedures. They will assist the families in assuring the sacredness of the liturgy by consistent and proper application of current parish and archdiocesan policies and procedures.

WEDDING MINISTRIES

THE ASSEMBLY

At the wedding liturgy, family and friends gather to celebrate and witness your wedding. Unless they are encouraged to participate, they will be an audience instead of participants. The focus of your wedding liturgy preparation is to encourage full and active participation of all.

THE COUPLE

1. The two of you are the ministers of the Sacrament of Marriage in the Catholic wedding liturgy. You give yourselves to one another in marriage. The priest or deacon serves as the Church's official witness.
2. Since much focus will be on the two of you, if you enter into the prayers and singing, your invited friends and family will be more inclined to participate.
3. It is not recommended that you take on another ministry during the liturgy, such as that of lector or Eucharistic minister. These ministries are best served by others in the assembly.
4. For brides- Modesty should be a priority when choosing both your gown and the gowns of your attendants.

THE PRESIDER

1. A priest will preside or officiate at most wedding liturgies. When the wedding is celebrated without a Mass, a deacon may officiate.

2. Priests or deacons from outside St. Peter Parish may preside at weddings with delegation from the pastor.
3. If you are marrying a non-Catholic and would like a non-Catholic minister to participate, please share your desire with the priest/deacon before extending the invitations. The presider will advise you in this matter. If planned in advance, it can be a beautiful and significant sign of the ecumenical dimension of your marriage.

THE WITNESSES

1. Every member of the assembly at your wedding is important because each one is a witness to your marriage.
2. At the same time, three particular witnesses have a designated role in the liturgy. The church's official witness is the priest or deacon. The best man and the maid/matron of honor are also witnesses. They need not be Catholic to fulfill this role.

THE USHERS

1. More and more, this ministry is being referred to as the hospitality ministry, because this title gives a better understanding of the role of these ministers. The main responsibilities of the ushers are to greet those arriving at the church and to assist them in finding a seat.
2. Please encourage your ushers to seat your guests near others and to introduce them to each other. Inviting those gathering to sit toward the front is another sign of hospitality.
3. If you have a printed pamphlet for your wedding, an usher may be asked to hand it to those gathering, or this can be another role for a friend or family member. As a sign of hospitality, "Welcome to _____ wedding," may be said.
(Couple's first names)
4. Another gracious sign of hospitality as your family and friends arrive is to have greeters outside of church doors saying, "Welcome to St. Peter Church." At some weddings, the parents of the groom and/or bride choose to greet those gathering for the celebration in the vestibule. This is another option for you.

5. If you have a friend/family member with special needs attending, please let the liturgical wedding coordinator know so that special instructions may be given to an usher at your rehearsal.
6. To avoid seating delays, it is recommended that you have at least one usher for every fifty (50) guests. Since some family and friends will arrive early for a wedding, it is also recommended that your ushers arrive at the church at least 45 minutes before the ceremony begins.

THE LECTORS

1. Much care should be given in choosing the lectors. These lectors should be able to proclaim the Word so that those gathered may clearly understand. It is not a ministry that should be assigned to people just because they are good friends or family members who need a part in your wedding. **During a Eucharistic celebration in the Catholic Church, the readings are to be proclaimed by a Catholic. (Directory for the Application of Principles and Norms on Ecumenism, June 8, 1993, para. 133)**
2. It is preferable that you have three lectors, one for the first reading, the second reading, and the prayers of the faithful.
3. The text for the readings you have chosen should be given to your lectors as soon as possible so that they can practice. Lectors are encouraged to attend the rehearsal.
4. It is important for female lectors to take great care in choosing clothing that is modest. Dresses and skirts should be “at” or just above the knee. Dresses and blouses should not be low-cut and strapless dresses should not be worn.

THE ALTAR SERVERS

1. It is preferred that at least two altar servers assist at the Mass. Altar servers from our parish are ideal because they are familiar with our parish procedures. **It is the policy of St. Peter Catholic Church to have male altar servers.**
2. The parish wedding liturgy coordinator can assist in getting servers for your wedding.

GENERAL INTERCESSIONS

1. These are prayers that are prayed for the needs of the world, the church, our communities, and a variety of other needs. You may choose someone to read the intercessions, if they are not sung. The person who will read the first or second reading may pray the prayers, or another person may be chosen. Normally, during a Eucharistic celebration in the Catholic Church the readings are to be proclaimed by a Catholic. (Directory for the Application of Principles and Norms on Ecumenism, June 8, 1993, para. 133)
2. You may choose to write or give suggestions for specific intentions to be included in the general intercessions, but these **must be pre-approved by the presider**. For example, you may choose to pray for deceased relatives or sick friends/family members who are not able to attend. You may include a prayer for your godparents, parents or others who have touched your lives. Needs of the world should also be included: for example, you may pray for the poor, the homeless and the unemployed.

GIFT BEARERS

(Rite of Marriage during Mass)

1. The gift bearers are two people who come forth from the assembly to bring forward the gifts of bread and wine. This can be a special role for godparents or for other significant people in your lives.
2. Ideally, you want to choose people who are not fulfilling any other ministry in the Mass.
3. Some couples are choosing to have the gifts of bread and wine handed to them, and they hand them to the presider. *This option is not permitted at St. Peter Parish.*

EXTRAORDINARY MINISTERS OF THE EUCHARIST

(Rite of Marriage during Mass)

1. In ordinary circumstances, only Extraordinary Ministers that have been delegated by the Archdiocese of New Orleans and commissioned for St. Peter Parish may serve as Extraordinary Ministers of the Eucharist.

2. It is important to remember that the National Conference of Catholic Bishops in 1986 developed written guidelines for the reception of Communion. The guidelines are written in the front cover of our missalette. A copy will be given to you when you meet with the wedding liturgy coordinator. **St. Peter Parish adheres strictly to these guidelines.**
3. The parish wedding liturgy coordinator may serve as an Extraordinary Minister for your wedding, if needed.

Some things to consider when planning your wedding...

1. May the father of the bride accompany her down the aisle?
Answer: The procession to the altar then takes place in the customary manner (OCM 46). Among the rich variety of customary forms experienced at weddings in this country, the option of a procession with a cross, servers, preside, bridesmaid and groomsmen and groom and bride (perhaps accompanied by their parents), would be commendable.
2. Is it permissible to use readings other than those in The Order of Celebrating Matrimony?
Answer: Whether celebrated within or outside Mass, the Readings must always be taken from Scripture. On those days when the Ritual is celebrated, the scriptural readings are to be selected from the OCM.
3. May Couples write their own vows?
Answer: OCM offers two forms of Consent (vows) and two methods for saying them. No other forms for the Consent are permitted.
4. To whom may the Bride and Groom extend the Sign of Peace?
Answer: To those closest to them and their parents.

"His scripture says, 'For this reason a man will leave his father and mother and unite with his wife, and the two will become one.'"

Eph 5:31

WEDDING ATTENDANTS

BRIDESMAIDS AND GROOMSMEN

1. It is the Church's requirement that you be married in the presence of a priest or deacon and two witnesses; the state requires a licensed minister and two witnesses.
2. It is understandable that you will want significant family members/friends to be bridesmaids and groomsmen. However, because of standing and seating arrangements, our parish recommends a maximum of six bridesmaids and six groomsmen. Please consider this when choosing your attendants.

RING BEARERS AND FLOWER GIRLS

Very young children are many times uneasy about walking in front of large numbers of people and do not understand liturgical worship. When you are choosing ring bearers and flower girls, the children's ages should be considered so that their presence will add to and not detract from the joyful celebration. For this reason, children between **five and ten years of age** are recommended.

Environment

Flowers are symbolic of our joy in Christ and express our thankfulness for the beautiful gifts of nature God has given to us. Many couples choose flowers for the church because they enhance the spirit of celebration and hospitality. Our parish has developed guidelines to assist you in creating the most beautiful and appropriate liturgical environment for your wedding.

FLOWERS, PLANTS OR TREES

1. Flowers, plants or trees are particularly apt for the decoration of liturgical space, since they are part of nature, always discreet in their message. **No artificial flowers, plants or trees are to be used in decorating the church.** *There are no exceptions.*
2. Decoration(s) should neither impede the approach to nor the circling of the altar or any of the ritual movements or actions. In most liturgical spaces, decorations can be appropriate and enhancing. A copy of the guidelines will be provided for you to give to your florist; however, placement of all floral arrangements in the sanctuary is to be approved by your wedding liturgy coordinator. All green plants already in the church are available for your wedding, but are not to be removed from their original places (with the exception of the plants on the columns next to the center mosaic and crucifix).
3. Plants/flowers may be placed outside between the front doors. Garlands, bows and/or flowers may also be used on the hand railing and are a beautiful sign of hospitality to your invited friends and family. No wreaths or other decorations will be allowed on the front doors because of the possibility of damage to the doors.
4. If flowers and bows are used to decorate the ends of the pews, they are to be placed at regular intervals along the aisle. String, ribbon or large rubber bands may be used. Tape, wire, nails or tacks may **not** be used. Such decorations should not be limited to the first several pews to serve as floral “reserved” signs. Please inform the liturgical wedding coordinator of the number of pews you wish to reserve.
5. To avoid any potential safety hazards, flower girls are to refrain from tossing petals in the entrance and recessional procession.

6. If your wedding is celebrated during the Advent, Christmas, Lenten or Easter Seasons, you are asked to consider the nature of these special times in our Catholic tradition. Please respect the community's environment during these times since the church encourages special décor for various seasons of our liturgical calendar. You are welcomed and encouraged to use any of our décor. For example, in the Advent Season, our Advent wreath is part of our environment. The Lenten Season calls for a barren environment. **If you are choosing your wedding date during the Lenten Season, flowers/greenery may be used, but we ask that all décor be kept to a minimum because of the nature of the season.** Since our plants are removed from the church during the Lenten Season they are not available for weddings. Your wedding liturgy coordinator will be able to assist you with your wedding liturgical environment.
7. We welcome any floral arrangement(s) you may wish to leave in the church as a gift to our community after the celebration of your wedding. Your flowers would continue to enhance our parish worship space. We also respect your plans to bring these arrangements to your reception, if you prefer. Please let the Liturgical wedding coordinator know your desire at least one month in advance.

CANDLES

1. The use of candles is an option for you, but spring-loaded candles are preferred. Drip-less candles may be used. However, even if spring-loaded or drip-less candles are used, the air-conditioning vents cause problems; therefore, a clear protective floor covering is required under all candles.
2. Candles are allowed in the sanctuary. They are allowed in other areas of the Church by special permission only.

UNITY CANDLES

Because the Unity Candle is not part of the Catholic Wedding Rite, **the use of a Unity Candle is strictly prohibited at St. Peter Parish.** *There are no exceptions to this rule.*

AISLE RUNNERS

Aisle runners can be very unsafe; this is true even if a cloth aisle runner is used. Because of this safety factor, **aisle runners are not permitted.**

USE OF RICE, BIRD SEED OR CONFETTI

To avoid a safety hazard, the throwing of rice, birdseed or confetti is not allowed.

*"Husbands, love your wives, as Christ loved the church and gave himself up for her,
that he might sanctify her..."*

WEDDING ENVIRONMENT

Flowers are symbolic of our joy in Christ and express our thankfulness for the beautiful gifts of nature God has given to us. St. Peter Parish has developed guidelines to assist in assuring the most beautiful and appropriate liturgical environment for weddings. Please adhere to the following guidelines-

1. No artificial flowers, plants or trees may be used for decorations inside or outside St. Peter Church.
2. Placement of arrangements in the sanctuary is to enhance the spirit of the celebration yet not impede in any way the movement of the priest or other ministers. Positioning of the floral arrangements in the sanctuary is to be approved by the liturgical wedding coordinator.
3. Sometimes, and often depending on the liturgical season, the sanctuary has large plants that may be moved with permission and under the following circumstances: a. the family is responsible for moving or securing someone else to move the plants to the Divine Mercy alcove; b. the family takes full responsibility for any damage that may occur during the moving of the plants; and c. the family is responsible for securing people to move the large plants back to their original spot following the wedding ceremony. If you would like to move large plants that are in the sanctuary at the time of your wedding, please discuss this with the liturgical wedding coordinator.
4. If flowers and bows are used to decorate the ends of the pews, please consider placing them at regular intervals along the aisle, enhancing the whole worship space and the assembly that fills it. String, ribbon, or

- large rubber bands may be used. Tape, wire, nails, or tacks may **not** be used.
5. Flowers or green plants may be used in the entrance gathering (vestibule) as a sign of hospitality. It is important however, that sufficient space is available for the entrance of those gathering and the bridal party.
 6. On the outside of church, decorations may be placed on the hand railing. Plants or flowers may also be placed on the steps close to the railing and/or between the front doors. No decorations are allowed on the doors.
 7. Deliveries of plants and/or flowers are to be scheduled no earlier than one hour before the wedding. If extra time is needed, please check with the parish office for availability of the church. Pick-up must be immediately after the ceremony. Please consider this time frame when booking the wedding.
 8. We welcome any floral arrangement(s) that the couple may wish to leave in the church as a gift to our community. We also respect their plans to bring these arrangements to their reception, if they prefer.
 9. Aisle runners are very unsafe because they squirm and slip underfoot due to the type of flooring in St. Peter Church. This is true even if a cloth runner is used. Because of this safety factor, **aisle runners are not to be used.**
 10. The use of a Unity Candle is strictly prohibited at St. Peter Church.
 11. If we can be of further assistance to you, please call the Saint Peter Parish Wedding Liturgy Coordinator 985-892-2422

(Please distribute this guideline to your florist when planning.)

Photography and Videotaping

It is understandable that you may desire to record your wedding celebration in order to preserve the memories for many years to come. However, to ensure the sacredness of the liturgy for all gathered, we ask that you, your photographer, and your videographer observe our parish guidelines. Copies of the guidelines with diagrams should be given by you to your photographer or videographer. Therefore, it is your responsibility that both the photographer and the videographer clearly understand and agree to adhere to these guidelines. **There are no exceptions to these guidelines.**

1. The diagram included in the handbook indicates positions from which photographs and videos may be taken.
2. Photographers and videographers are expected to keep movement around the church to a minimum during the liturgy so that the prayer of those gathered is not disturbed.
3. Because flash photography can be distracting to the couple, priest, and those gathered, there is to be no flash photography after the entrance procession; flash may be used again only during the recessional.
4. No additional microphones may be attached to any sanctuary furniture.
5. Pictures taken of the arrival of the bride and wedding party should not delay the beginning of the ceremony.
6. The church will be available to you for the taking of photographs or videos, both before and after the celebration, but with respect for the schedule of other weddings or parish Masses. **Pictures following the ceremony should not exceed twenty minutes.**

The wedding liturgy is a **sacred** celebration of rejoicing in prayer, song, and gesture. While we understand the desire to record the celebration to preserve the special memories, St. Peter Parish guidelines must be observed. **There are no exceptions to these guidelines.**

1. The diagram of St. Peter Church indicates positions from which photographs and videos may be taken.
2. Photographers and videographers are expected to keep movement around the church to a minimum during the liturgy so that the prayer of those gathered is not disturbed.
3. Because flash photography can be distracting to the couple, priest, and those gathered, there is to be NO flash photography after the entrance procession; it may be used again during the recessional.

Rehearsals

1. As soon as your wedding is scheduled, it is required that the rehearsal day and time be approved to avoid possible conflicts.
2. Please make every effort to ensure that all members of the wedding party (parents, ushers, attendants, lectors, etc.) are present for the rehearsal **and on time**. The wedding rehearsal is to begin promptly since the church may have other scheduled activities or the priest and/or coordinator may have other appointments. Please allow thirty minutes to one hour for the rehearsal.
3. It is also requested that you remind the wedding party that since the wedding rehearsal is in church, proper reverence must be shown at all times. Thus, proper dress, attitudes, and actions are expected. The drinking of alcoholic beverages prior to the rehearsal and wedding is strongly discouraged, and the drinking of alcoholic beverages in or around St. Peter Church is strictly forbidden! There will be time for merriment at the rehearsal party and at the reception.
4. The rehearsal allows the members of the wedding party to become familiar with the environment of our church building and with the roles they will assume in the liturgy. The celebrant and/or liturgical wedding coordinator will give a brief overview of the liturgy to help all concerned understand the prayerful nature of the celebration. You will do a “walk through” of the ceremony so that everyone will be familiar with it.
5. All readings, prayers, music, etc. must be turned in prior to the rehearsal. The rehearsal itself is not the time for discussion and decision making.
6. Your marriage license must be submitted to the rectory no later than **two weeks prior to the rehearsal** in order for all forms to be typed.
7. Please respond to contact from your wedding liturgy coordinator at soon as possible so that the two of you may know best methods of contact, exchange important information, etc.
8. The following “Wedding Rehearsal Information Form” and copies of your readings must be delivered to the wedding liturgy coordinator at least **two months** prior to the rehearsal. See back of folder for the form.

PLANNING YOUR MUSIC

As soon as your wedding is booked with the Church, please contact the Vocal Director of Music to arrange for music at your wedding:

Vocal Director of Music,
music@stpeterparish.com

Once you establish contact with the director, a meeting will be scheduled with you to discuss the music selections you would like to have at your wedding. At that meeting a “Wedding Music Planner Form” will be completed, so you will have all the information you need for those involved in the planning process.

SELECTING YOUR MUSICIANS

It is our policy that your wedding music is provided by the musicians and vocalists at St. Peter Church. Exceptions to this policy should be discussed with and obtained through the Vocal Director of Music.

Music adds much joy and sacredness to the celebration of your wedding. Please remember that music’s primary purpose in the liturgy is to help people pray and worship. The music that you choose for your wedding must be sacred music, fitting for the occasion, and such that enables assembled family and friends to pray with you and for you. We do not allow secular music, show tunes, secular love songs, operatic wedding songs etc. – these are not considered appropriate for your wedding ceremony. Save them for the reception!

Your wedding music coordinator will be Anne Simpson. Upon the submission of the wedding date to Anne, a meeting will be scheduled to plan all of your music. Song selections will be played or sung through and chosen at that time. A fee of \$25 is due at the time of the meeting. This is the coordinator fee.

We musicians want to guide you and insure that your wedding is a true, sacred, holy Liturgical celebration. Therefore, we require that you use only the organists and cantor/vocalists on our music staff. In addition, any other instrumentalists will be chosen from St. Peter Parish’s approved list. This

is to ensure the integrity, sacredness, and joyfulness of the Liturgical celebration.

Please note that organists receive an additional \$50 rehearsal fee for any extra rehearsal required with outside singers or outside musicians of any kind (other than a brief run-through right before the wedding). Our musicians are familiar with the wedding music repertoire listed below and a rehearsal for that music is not necessary.

Please remember our cantors must be used for the liturgy. Outside singers may only sing prelude music, keeping in mind the directives listed above. If you plan to retain the services of an outside vocalist besides a cantor, they should provide an original copy of the music they will sing in the key suited to their voice to the accompanying organist.

Fees are due to all musicians (cantors, instrumentalists, organist) one month prior to the wedding. Checks should be made payable to the individual musician and sent in one envelope.

Everyone at St. Peter Parish is committed to helping to make your marriage ceremony a spiritual and meaningful celebration through music and prayer. If you have further questions, please don't hesitate to call me personally.

The following attached documents are to be brought to the Meeting with the Music Director. A cantor will be available to sing through selections. The music director will be present to answer any questions and to play through all of the music. Do not hire musicians on your own! See attached guidelines.

MUSICIANS

All weddings at Saint Peter Catholic Church must have an organist/pianist and a cantor. As the norm, your organist will be Bro. Ken Boesch, and your cantor will be Mrs. Anne Simpson. Should one or the other not be available please indicate here the cantor/vocalist and/or optional instrumentalists that you would like to have hired for your ceremony. Note that fees will apply for each musician hired. The contact person for your wedding is Anne Simpson. Her phone number is 985-264-2374 and email is music@stpeterparish.com. Upon receiving your requests, musicians on the approved list will be hired on your behalf.

This is especially helpful for those who are not familiar with our Catholic worship.
2. The program will encourage full participation in the liturgy and serve as a beautiful remembrance of your wedding. (OCM 28)

Prayer for Married Couples

Glory and praise to You Almighty God and Father, for it is from You that every family in heaven and on earth is named. Bless our marriage and awaken in us a deeper appreciation for this Sacrament of Your love. Enkindle in us anew the freshness of our first love that our lifelong covenant may never grow cold. Grant that through the bonds of Holy Matrimony we may work out our salvation day by day. May we grow in forgiveness, patience, perseverance, compassion and selflessness. May we confirm our vows of fidelity and heartfelt love by the way we treat one another each day. By Your example, may we be slow to anger and rich in loving kindness and faithfulness. For You, O Lord, love us in good times and in bad, in sickness and in health, whether we be rich or poor. May we return to You that endearing and enduring gift through a lifetime of courageous self-emptying love. By Your grace showered upon this most precious relationship, may we learn to love without condition and gain the humility needed to receive unconditional love.

In a time when so many counterfeits to authentic marital love surround us, may we recall the true inner meaning of our exclusive loving embrace. Grant that we may imitate the beauty of that sacrificial love that exists between Christ and His beloved bride, the Church, and so consecrate us in that perfect love that abides in the heart of Your Trinitarian mystery. May we rejoice both in our affectionate sentiments, and also in each loving sacrifice. Bless our desires making them pure and chaste, that we may always wish to make a complete self-gift to one another of our hearts, minds and bodies. May we cooperate with Your life-giving designs for our marriage and always be open to any new life that You choose to author. By Your presence at the center of our unified lives, may we be a convincing sign to the world of Your faithful love lived out in the indissoluble bond of true sacramental marriage. Amen.
