MUSIC FOR THE EASTER TRIDUUM

The Easter Triduum is the high point of the liturgical year. The Triduum begins with the Mass of the Lord's Supper on Holy Thursday and concludes with Evening Prayer on Easter Sunday. Although it takes place over several days, the Triduum is a single celebration of Christ's passover from death to life. This single celebration should reflect the nature of the parish community - both its unity and its diversity.

"The chants of the people, and also of the ministers and the celebrating priest, are of special importance in the celebration of Holy Week and particularly the Easter Triduum...."¹

Because the sung participation of the people is so important it is essential that they be able to participate in music that is both familiar and in harmony with the ritual. Care should be taken to ensure that each element of the Triduum (Mass of the Lord's Supper, Passion of Our Lord, Easter Vigil, Evening Prayer) includes music and musicians from all parish music groups. This will assist greatly in facilitating the sung prayer of the assembly.
