A NOTE FROM OUR PASTOR

Continuing to Make it Happen

Today, we celebrate the great feast of Pentecost. This is the birthday of the Church. When the Holy Spirit came upon the apostles they received the courage to proclaim the Good News of Jesus as Savior. The Church was born, and each succeeding generation receives the same mission: proclaim Jesus and His saving message. The Holy Spirit is given to us—individually and collectively to continue to “make the church happen.” As the apostles prayed in the Upper Room for the gift of the Spirit, so, too, each of us should pray for His presence in our lives. Just like the apostles we must ask for the Holy Spirit. On the day of our Confirmation, we all received the seven gifts of the Spirit. Don’t let them go unused. Call them forth:

**Fortitude**
Think of a time when you managed to get through a difficult situation. This is the gift of Fortitude at work.

**Knowledge**
Think of a time when you wanted to know the needs of another so that you could reach out and help. This is the gift of Knowledge at work.

**Understanding**
Think of a time when you really listened to another’s problem or when someone gave you a hearing. This is the gift of Understanding in action.

**Counsel**
Think of a time when you tried to cheer someone up who was sad or suffering. This is Counsel in action.

**Piety**
What is your favorite way of praying? This is the gift of Piety at work in you.

**Reverence of the Lord**
When do you most feel like being close to the Lord? This is Reverence of the Lord at work in you.

**Wisdom**
The seventh gift of Wisdom ties all the rest together. It helps us recognize the Holy Spirit with all His gifts in our lives. It helps us know enough to respond to Him and to live faithfully.

Have a wonderful week. Remember we need you to help our parish make CSA 2019 a success. Let’s make this our best year ever!

ENJOY THIS DAY OF PENTECOST. MAY YOU BE AGLOW WITH THE SPIRIT! Please find a place for me in your prayers.

PATHWAYS TO PEACE

BY DEACON CHRISTOPHER STARK

Happy Birthday, Roman Catholic Church! Today we celebrate the beginning of our Church. The actual beginning of Christianity in the context of human history...and salvation history. You see...TODAY...is the day that the Holy Spirit came into the Church, and filled the Apostles with the grace of God to go forward and continue the saving work that had been initiated by Jesus. This is a historic reality; marked by the actual occurrence of the supernatural engagement of God in the lives of Jesus’ Mother (who was present in the upper room with the Apostles) and Jesus’ most trusted confidants.

Because Pentecost happened, we have the Church...with all of our human failings...in place to help guide us to our ultimate destiny...access to eternal life in the presence of God.

In a very personal and particular way...because Pentecost happened—YOU have access to the sacraments of the Church, and the fruits of the sacraments—Heaven.

You see—Pentecost is the beginning of the mission of the Church, which is to go to the four corners of the earth, and proclaim the Good News! To baptize, and to evangelize all of humanity. It is because Pentecost happened, that YOU and I have faith.

We have faith because at some point in actual history...your history and mine...someone in your family (and someone in my family!) learned of God, and of Jesus...and the Roman Catholic Church...and they said, ‘sign me up.’ The DNA that courses through your body contains some of the DNA of that original ancestor of yours who first came to believe...because, Pentecost HAPPENED!

What will be your response, someday, when you’ve gone to your heavenly reward...and you get to meet your earliest of ancestors...and you come across that one ancestor who first believed, and shared that faith within your family’s history? What will you say to him/her? What will you do? For me...after I’m done weeping and hugging that first ‘Stark’ who said YES to faith...I’m simply going to say, “thank you.”

You know...our Church isn’t perfect. She’s been plagued with scandal, schism, and selfishness. Battered and bruised, but not beaten — our Catholic Church is still the Church founded by Jesus Christ. Our Catholic Church is still the only means of receiving the full graces offered by God through His holy sacraments.

Faith Formation

\[ \text{GOT FAITH?} \]

We are planning for fall and are looking for catechists to share their faith with our young parishioners. Do you enjoy working with Preschool students? Middle School students? Any age in-between? We would love to talk to you about possible opportunities. Contact the Faith Formation Office at 248-647-4680. Resources, support and prayers are provided throughout the year!

\[ \text{Theology of the Body} \]
The “Theology of the Body” is St. John Paul II's integrated vision of the human person. The human body has a specific meaning, making visible an invisible reality, and is capable of revealing answers regarding fundamental questions about us and our lives:

- Is there a real purpose to life and if so, what is it?
- What does it mean that we are created in the image of God?
- Why were we created male and female? Does it really matter if we are one sex or another?
- What does the marital union of a man and woman say to us about God and his plan for our lives?
- What is the purpose of the married and celibate vocations?
- What exactly is "Love"? Is it truly possible to be pure of heart? (Taken from [http://www.theologyofthebody.net/](http://www.theologyofthebody.net/))

Come delve into this wonderful teaching of St. John Paul II beginning Tuesday, June 25 at 7:00 pm in Room 1. Cost for material is ~$15 and will be facilitated by Josylin Fermin Mateus, contact info josylin@stmoffice.com or 248-647-4680.

Who should attend?
If you are single, newly wed, married many years, divorced, engaged, dating, parents of children who date, pretty much anyone eighteen years and older should attend. Don’t worry if you will miss one or two gatherings due to vacation.

Will meet on the following days: June 25, July 2, 9, 16, 23, August 13, 20 and 27.

Thirsting for God?
Do you know someone not baptized or baptized in a non-Catholic Christian tradition, who is thirsting for what it means to become Catholic? Do you know someone already Catholic but has not yet received Confirmation and/or Communion? They may be thirsting too! The Rite of Christian Initiation for Adults (RCIA) is a place to ask questions and seek understanding. Weekly “no obligation” inquiry gatherings are available. Call Josylin Mateus for more information at 248-647-4680 or email at josylin@stmoffice.com.

Pathways to Peace continued from page 2

Is God able to save us outside of the Church? Yes...of course...He’s God (and we’re not). That being said...God does show us, again and again...throughout the ages...His preference for us to live and love in a unified community of faith – the Roman Catholic Church. It is the Holy Eucharist – the actual body, blood, soul, and divinity of Jesus that we are privileged to receive. It is God-Himself that we receive in this most intimate of manner. Our source and summit – Jesus – giving us life and purpose, both new and forever.

Tonight, say a prayer to God...and thank Him for the gift of your Roman Catholic Church. Ask God to continue to reveal to you His divine purpose for your life...and while you’re at it...say a prayer of thanks to God for the gift of Pentecost...and that first ancestor of yours who said, “I believe.” Amen?! AMEN!!!

Peace,
Deacon Chris

Community Connection
Morse Summer Nights 2019

Morse Elementary has again requested help with their Summer Nights Program. Summer Nights has three goals. The first goal is to give all Morse students access to a free lending library. The second goal is to provide food, both perishable and non-perishable, to students and their families. (The STM conference of St. Vincent dePaul provides the needed 90 gallons of milk per week and supplies bread products from Whole Foods and Panera.) The final goal of Summer Nights is to build community. Last year many of our parishioners volunteered for food prep and set-up. This year Morse has also asked for our help in food service set-up and clean up, activity set-up and clean up, and tending their garden. Summer Nights is every Wednesday beginning June 19th and continuing through August 21st. Each task requires only about two hours. Individuals, families, or students in need of community service are welcome to participate.

To volunteer you must use Sign-Up Genius. Email Patty Orlowski at porlow@sbcglobal.net to have the link sent to you.

Please consider volunteering one or two Wednesdays this summer. You won’t regret it!

Grieving with Great Hope

“Grieving with Great Hope” is a six week program for those mourning the loss of a loved one through death.

Witnessing to the Gospel of Life: Part Two
by John Hannigan

Last week I started to explain how we might talk about abortion without it becoming a shouting match. People passionately pro-life and pro-abortion want to talk about state laws and court cases, so we will have a chance to witness to the truth about abortion. I first outlined a simple, logical argument against abortion:

- From conception, the embryo is a human being.
- It is wrong to kill an innocent human being.
- Therefore, killing a human embryo (or fetus) by procuring an abortion is wrong.

I tried to use Aquinas’ approach of asking questions to help pro-abortion advocates examine the issues and arguments important to them. To continue:

- **It’s not a baby.** Yes, embryos look different, but how does “a clump of tissue” become a baby only when a mother wants her? If it’s not human, what is it? See how all genocides - of Jews in the Holocaust or Tutsis in Rwanda - begin by denying the victims’ humanity?
- **“White men” have no right to a woman’s uterus.** Yes, many legislators may be white men but there is irony in claiming pro-life advocates are racist or sexist. How does abortion which kills more girls than boys help women? How is abortion which proportionally kills more African-Americans not racist? The irony is that an original “eugenics” goal of Margaret Sanger, founder of Planned Parenthood, was to limit births of blacks and other groups she considered “inferior.”
- **Making abortion illegal makes women criminals.** Yes, physicians who do abortions would violate the law. But no responsible pro-life group proposes punishing the women. The Church is committed “to supporting all mothers with the care and resources they need” and is ready to help (www.usccb.org).
- **Women who become pregnant due to rape or incest should not be forced to give birth.** Yes, that violence and trauma are terrible. Victims deserve justice and healing. How does the added trauma of an abortion, that also kills the innocent life conceived in rape or incest, bring justice or healing?

Always listen with love and act to help women who view pregnancy as a crisis. Honest dialogue can turn hearts. The ultimate goal is for abortion to be unthinkable not just illegal. (See Catechism ¶2270ff)

St. John Paul wrote: “The Gospel of life is at the heart of Jesus’ message.” This is the Gospel we are to unleash “with dauntless fidelity as ‘good news’ to the people of every age and culture” (Evangelium Vitae 1).

Stewardship Reflection

Do you know about the South Oakland Vicariate???

I didn’t until I was asked if I would be interested in being a STM representative to the SOV. That was ummmm, maybe 4 years ago. My first meeting was at St. Hugo’s and we had a learning/training session on the “Green Book”. The Green Book was a binder that explained the various commissions and committees that the AOD recommended each parish have and how they work together to support the parish in all aspects from Financial to Christian Service. Parishes took these recommendations and implemented according to the directives in the Green Book.

Currently the AOD/Vicariate is discussing revamping the Green Book and coming out with new processes and procedures for how parishes are to operate more closely linked with Unleash the Gospel. We now have parish leadership teams with the Parish Council as an advisor to the Leadership Team lead by the pastor of the parish.

My last SOV meeting was May 28th. The SOV is a group of parish representatives from all parishes within our Vicariate. It is led by a Vicar (Fr. Snyder) and we meet 4-5 times from September to May. The meetings are very informative since they always include a report out by the AOD (Erik Coules) and a Presbyterial Council (Vicariate Priest’s Meeting) report. In addition, we have speakers from various areas of the AOD which have been most informative. May’s meeting included a superb discussion from Genevieve Marnon regarding the Dismemberment Abortion Ban Petition from Right to Life Michigan.

We also discussed in small groups how we want to run our next year’s meetings, which topics to discuss, what should be our focus, and what is important to the SOV.

I have really enjoyed attending the SOV meetings and then reporting the meeting notes back to the Parish Council. However, I would like to share this valuable opportunity with others in our parish, so they can also become an informed and connected member of our parish and Vicariate. If you are interested in learning more or want to consider being a STM Vicariate representative, please contact me or the parish office.
