**God made the daytime, daytime, daytime.
God made the daytime and the bright sun.**

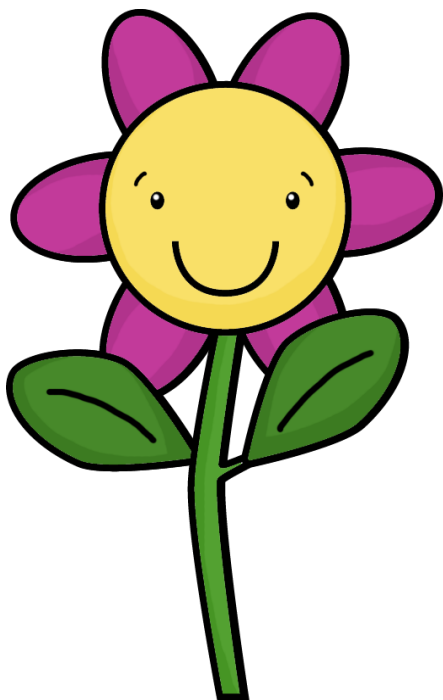

**God made the nighttime, nighttime, nighttime.
God made the nighttime And the moon and stars.**

**God made the sun and moon,
The earth and sky and sea.
Each twinkling little star,
And God made you and me.**

God made the pretty flowers, pretty flowers, pretty flowers.

God made the pretty flowers, thank You God for flowers.

God made the birds that fly, birds that fly, birds that fly.

God made the birds that fly, thank You God for birds.

**God made the birds that fly,
Each flower and each tree.
And fish and frogs and snails,
And God made you and me.**

**God made the moms and dads, moms and dads, moms and dads.
God made the moms and dads, thank You God for families.**
