## FREEDOM THROUGH SURRENDER: A CENTERING PRAYER EXPERIENCE MARCH 18, 2021

Centering Prayer is a method designed to facilitate the development of contemplative prayer by preparing our faculties to cooperate with this gift. It is an attempt to present the teaching of earlier time in an updated form. It is not meant to replace other kinds of prayer but puts other kinds of prayer into a new and fuller perspective. During the time of prayer we consent and surrender to God's presence and action within. At other times our attention moves outward to discover God's presence everywhere.
