

VILLA PAULINE RETREAT AND SPIRITUAL CENTER

MASTERPIECE IN THE MAKING A DAY OF REFLECTION SATURDAY, FEBRUARY 27, 2021

Our life's goal is to be saints — God's masterpieces! But like fine art displayed in a museum, the lives of saints often appear pristine. In fact, the lives of great artists and saints prove that the process of creating a work of art and a holy life is often messy, and filled with mistakes and corrections. Attendees will learn to accept the disorder and imperfections of their lives as part of the path to holiness. The beautiful masterpiece we want to make of our lives for God is being created right here and now. It is just not ready for the "museum" yet!

Presenter: Nina Corona is a Doctor of Ministry candidate at Fordham University.
