Mr. Scanlon's Monthly Messages

January, 2021

Dear Parents/Guardians,

Welcome back. Let's hope 2021 and the arrival of a vaccine begins the process of beating back the virus and an eventual return to normal. Much has gone on these last four months of school and now we look forward to re-registration and registration for the Fall of 2021. We are hoping to maintain and build upon our current registration numbers. Please watch out for the re-registration packets the week of January 25th for a quick turn around on returns. NWEA-MAP testing will begin the week of January 11th and take us through the end of the month if needed. These tests will be administered both in-person and remotely. A schedule will go home the week of January 11th, please look for it. These tests measure where your child is academically, highlights their strengths and identifies weaknesses. The data from these tests help teachers plan their lessons. Finally, I would like to welcome Eileen Negron to the St. Raymond family. Ms. Negron will be my new administrative assistant and begins on January 4th. Take care and God bless.

Congratulations to Students of the month for January:
