CATHOLIC SCHOOL

Dear Future 5th, 6th, 7th, and 8th Grade Families,

The Athletic Association has begun to prepare for the next school year. To do this effectively and accurately we need to have as close to an accurate count as possible of who will be coming out for sports next fall and winter. The numbers are used to help us know how many uniforms and coaches we will need and most importantly, how many teams we can fill. We also schedule all of volleyball and basketball games in April.

This year there will be a \$25 cost for each sport that the child participates in. This charge is **NOT** due at this time, however, will be collected once the child has made the team. This money is used to help cover expenses throughout the year.

We are asking that forms be turned in by June 15th. We are also always looking for parents who would be interested in becoming part of the Athletic Association. If interested, please provide your name and contact information below.

Indicate below what sport(s) your child will be participating in the next school year. **Please understand if we do not have enough interest, we may not be able to form a team. We will do our best to either combine teams or find a neighboring school to play with.**

Name of child: _____ Grade for 20-21: _____

Thank you for all you do for our school. **Please remember to get this form returned to Notre Dame Hall in an envelope marked Athletic Association by June 15th or email to kschulte@borgiagradeschool.org.**
