## St. Mary Magdalene ~ July 22<sup>nd</sup>

Mary Magdalene is one of the greatest saints of the Bible and a legendary example of God's mercy and grace. The precise dates of her birth and death are unknown, but we do know she was present with Christ during his public ministry, death and resurrection. She is mentioned by name twelve times in the canonical gospels, more than most of the apostles and more than any other non-family woman in the Gospels.

Mary Magdalene has long been regarded as a prostitute, but this is not supported in the scriptures. It is believed she was a Jewish woman who lived among Gentiles, living as they did. The Gospels agree that Mary was originally a great sinner. Jesus cast seven demons out of her when he met her. After this, she told several women she associated with and these women also became followers.

There is also debate over if Mary Magdalene is the same unnamed women, a sinner, who weeps and washes Jesus' feet with her hair in the Gospel of John. Scholars are skeptical this is the same person. Despite the scholarly dispute over her background, what she did in her subsequent life, after meeting Jesus, is much more significant. She was certainly a sinner whom Jesus saved, giving us an example of how no person is beyond the saving grace of God. During Jesus' ministry, it is believed that Mary Magdalene followed him, part of a semi-permanent entourage who served Jesus and his Disciples.

Mary likely watched the crucifixion from a distance along with the other women who followed Christ during His ministry. Mary was present when Christ rose from the dead, visiting his tomb to anoint his body only to find the stone rolled away and Christ, very much alive, sitting at the place they laid Him. She was the first witness to His resurrection.

After the death of Christ, a legend states that she remained among the early Christians. After fourteen years, she was allegedly put into a boat by Jews, along with several other saints of the early Church, and set adrift without sails or oars. The boat landed in southern France, where she spent the remaining years of her life living in solitude, in a cave.

She is the Patron of: contemplative life, converts, glove makers, hairdressers, penitent sinners, people ridiculed for their piety, perfumeries, pharmacists, sexual temptation, tanners and women
