"With all of the turmoil in this world, Lord give us the peace that we long for now especially, as we are faced with the upheavals of all the wounds of our society: hatred, racism, anger.

Lord, we long for the peace that only you can give. We want that peace and we will work for that peace as we recognize the need to work for justice, to uphold the dignity of every human life and to recognize that everyone is created in God's image.

And that out of the darkness of our lives, we are able to see through the eyes of Jesus Christ that whomever is before us is either a brother or sister.

It is important for us to acknowledge the dignity in which our God created us and then uphold that dignity before all the world."

Today, and in the days to come, let us lift up our prayers to the Risen Christ who heals all wounds and comforts all the afflicted. **Amen**

*"Please remember in your prayers all those who suffer, especially the following members of our parish or parishioners loved ones"*
