

Good Evening MPB families,

Just a few points this week:

- As we reach mid-October, many parents have started to ask about the “winter” uniform. While students are always allowed to wear it, the official change date will be Monday, October 26th.
- Thank you all for your help with buying and selling cash calendars and shopping cards. Mrs. Gaydos has been doing a remarkable job in keeping up with orders and this is truly a great help to the school! Please refer to the family folder from Oct. 7 should you wish to submit more orders.
- As you may have seen, our parking lot has been re-paved; this was truly a needed improvement to our grounds. Lines should be painted soon if the weather cooperates. Many thanks to Fr. Tom for his perseverance during this effort.
- By now, you probably received a letter from Superintendent Deegan emphasizing good decisions during this time. With concerns growing in the Southern part of the county and in Rockland, I do wish to remind you that we need to do everything we can to try to keep MPB running on a smooth everyday schedule. I want to remind families that dismissal should be a quick and safe process. I truly understand the desire to hang around and socialize, but that behavior is not the safest practice possible at this time.

As always, I hope this finds you all happy and healthy, many blessings to all our families!

Sincerely,
Mr. Hallaway
