October 2020

Dear MPB Families,

Welcome back! We have missed our community of MPB families very much. We are so fortunate to be back together this school year and hope this letter finds you all healthy and safe. Every year our school strives to bring the best of academic and extracurricular opportunities to our students and every year we have been supported by parents like you to hold fundraisers to support these opportunities for the students. As we all have experienced in the past months, we are living in unprecedented times. Our usual fundraising efforts have been put on hold to maintain the safety and health of our school, our families and our community. In an effort to keep the fundraising costs down, the Archdiocese has allowed for the 2020-2021 school year a fundraising amount of \$250 per family. Although the costs for each family will be significantly cut for this school year, we hope in the future to return to our original fundraising efforts we've had in the past. As we navigate through the school year we will be introducing new fundraisers as well as some wonderful favorites we've had great success with over the years. We ask that families keep in mind that although we've had a drastically reduced cost of fundraising this year, continued participation in our fundraisers is so very important. Our school relies on the monies we raise to keep activities, equipment, and classroom supplies readily available to our children. We accredit our past efforts to you, our MPB families!

In the near future, we will be sending home information on the breakdown of fundraising for this 2020-2021 school year. We will have a "buy out" option as we have had in the past and the ability for the cost to be added to your SMARTTuition account if you wish. Also, keep in mind, if you registered your students prior to September 18, 2020, and remained enrolled, your entire 2020-2021 registration cost will be credited to your December 2020 SMARTTuition account. Please keep an eye out for that as well.

We're so glad to see all of our smiling children back at MPB whether in person or virtual; afterall, they are the ones we do this for!

Thank you and be well,
