

June 10, 2020

Dear MPB Families,

Congratulations, only 2 weeks to go and your help over the past 3 months has been so appreciated! A special congratulations goes to our PK and UPK which moves up this Monday, Kindergarten which moves up next Wednesday, and, of course, our 8th Grade, that graduates this Saturday. Everyone else goes through the 24th and I know the teachers are planning special extra fun things for the time remaining.

As far as end of the year issues I just want to highlight the following items:

1. Summer work is in the process of being assigned either through google classroom or through packets that are being put together. Teachers have until closer to the 24th to get that put together, but some already have work published. (The work for next year's teacher is coming from this year's teacher.)
2. The report card viewing window will be reopen sometime on June 24th.
3. Borrowed chromebooks should be returned on or before June 24th. Any returning family that needs the chromebook(s) to complete summer assignments should contact me directly at Woodrow.hallaway@archny.org so you can still get access to your child's report card. 8th grade chromebooks should be returned at rehearsal on Friday, June 12.
4. The Archdiocese will be sending out a special survey tomorrow, similar to the one I sent about a month ago, but this one is anonymous. Please take the time to make your voice heard!
5. I have been informed that the diocese will be coming out with detailed plans about building openings on or before July 15th. Please know that I will keep you informed of all developments as I receive them.

Thanks, stay safe and God Bless you all,

Mr. Hallaway
