

Last week I told you that we would be doing the CCE classes by home schooling. You will receive a packet in the first week of each month. In that packet will be the lessons for one month plus all the supplies that you will need to complete the lessons. There will also be an assessment toll that you will need to complete and turn in when you pick up your new packet. That will be the way that we determine your child's attendance in class. This extremely important for those children that are receiving their First communion this year or next. The diocese requires 2 years of catechesis before receiving the sacrament.

Also, Father Paul and I encourage you to pray with your children. Pray for an end to the pandemic, the strength to complete the task of educating your children in their faith and any other special needs your family may have. Included in your packet will be a book which has all the prayers in it.

Registration forms will be available on St Mary's Facebook page and the parish website. I will let you know via Facebook when they are uploaded They can be completed and returned to me, the office or by mail. I am working on dates and times that registration can be done in person. This is a difficult task since Mass attendance is limited. If you have any suggestions please let me know. We expect classes to begin in late September.

I did not address this specifically last week since the plan was still in flux but if you have a 9-12<sup>th</sup> grader you will be contacted by Tammy Burks to see if you would like your child to attend classes in person or an internet platform for example Zoom or Google classroom. Once all parents are contacted, we will give you more information.

In the words of Pope Francis when families bring children into the world, train them in faith and sound values, and teach them to contribute to society, they become a blessing in our world.
