The lock-in will be led by student council and the senior class. This is a great opportunity for the freshmen to get to know each other better and to build class unity. They will get an opportunity to self-reflect and think about their goals and direction during high school.

Activities throughout the night will encourage students to think about how they can grow as students and as people of faith. Participation is not mandatory but is highly encouraged.

Students must submit the bottom portion of this permission slip by **Monday, 12 September 2016.**
