

## Archdiocese Response to COVID-19

Dear Families,

I hope in the midst of all the COVID-19 hysteria you have managed to enjoy some of your Spring Break.

Know that while many have been on Spring Break our maintenance team has been working to ensure our campus is clean and safe for your children on Monday morning. I will be ensuring that our students are given proper hand washing instructions in all classes. You can do your part by ensuring of this instruction at home as well.

As Nurse Becky's letter stated last week, IF YOUR CHILDREN ARE ILL, PLEASE KEEP THEM AT HOME. DO NOT SEND THEM TO SCHOOL TO SEE HOW THEY WILL DO. Please error on the side of caution during this time.

Attached is a letter from the Archdiocese and their response to this pandemic. Please read it carefully and know that we will be following its guidelines as a school.

I will be sending out the routine weekly memo this weekend with any new announcements or changes.

Stay healthy,

R. Maestas-Sanchez, St. Mary's Albuquerque, Principal
