

PROTECTING GOD'S CHILDREN

Diocese of Columbus Ohio

Reporting Information

In the event you would need to file a possible case of child abuse in any form the numbers and names of those to contact are listed below. We are required by Diocesan Policy to post this information in our buildings. We are also required to make sure that all parents and youth have this information readily available in our handbook, bulletin and offices.

- Pickaway County Sheriff Office – 740-474-2176
- Columbus Diocese Victim's Assistance Coordinator
Rev. Msgr. Stephan Moloney – 614-224-2251 or 1-866-448-0217

- Columbus Diocese Safe Environment Consultant
Regina Quinn – 614-241-2565 or rquinn@colsdio.org

These contact numbers and names at the Diocesan level are good in any county throughout our Diocese. Each Catholic Diocese has a contact person(s) that easily helps someone not in our diocese. Msgr. Moloney and Regina Quinn can also give you that information should you or someone you love need it for reporting outside our Diocese.

We received a clear audit report in July 2020. Our Parish is compliant with all policies and paperwork for Protecting God's Children Program. Thank you for helping make that happen, by returning those papers in our handbook that needed to be signed. **Again this year, we are asking all families to sign the papers in the handbook and return to the PSR office by mail, collection basket, or PSR. Thank you for all your help!**

Peace,

Vanessa Butterbaugh
PSR Coordinator/Youth Minister
