THE DUTIES OF PARENTS FROM THE CATECHISM OF THE CATHOLIC CHURCH

“Parents have the first responsibility for the education of their children. They bear witness to this responsibility first by creating a home where tenderness, forgiveness, respect, fidelity, and disinterested service are the rule. The home is well suited for education in the virtues. This requires an apprenticeship in self-denial, sound judgment, and self-

mastery—the preconditions of all true freedom. Parents have a grave responsibility to give good example to their children.” #2223

“Education in the faith by the parents should begin in the child’s earliest years. Parents have the mission of teaching their children to pray and to discover their vocation as children of God. The parish is the Eucharistic community and the heart of the liturgical life of Christian families; it is a privileged place for the catechesis of children and parents.” #2226

A PARENT’S PRAYER

Lord, God, make me a better parent. Help me to understand my children, to listen patiently to what they have to say, to understand all their questions kindly. Keep me from interrupting them, talking back to them, and contradicting them. Make me as courteous to them as I would have them be to me. Give me the courage to confess my sins against my children and ask them for forgiveness, when I know that I have done wrong.

May I not vainly hurt the feelings of my children. Forbid that I should laugh at their mistakes, or resort to shame and ridicule as punishment. Let me not tempt a child to lie and steal. So guide me hour by hour that I may demonstrate by all I say and do, that honesty produces happiness.

May I cease to nag; and when I am out of sorts, help me, O Lord, to hold my tongue. Help me to gently correct the little errors of my children, and help me to see the good things that they do. Give me a ready word for honest praise.

Help me to treat my children as those of their own age, but let me not exact of them the judgments and conventions of adults. Allow me not to rob them of the opportunity to wait upon themselves, to think, to choose, and to make their own decisions.

Forbid that I should ever punish them in anger. May I grant them all their wishes that are reasonable and have the courage always to withhold a privilege that I know will do them harm.

Make me so fair and just, so considerate and compassionate to my children that they will have genuine esteem for me. Help me to be loved and imitated by my children. Oh God, do give me calm, poise, and self control. Amen.

CHILDREN'S MINISTRIES RELIGIOUS EDUCATION CURRICULUM OVERVIEW

“Jesus is beckoning you to go on a real journey with Him—a journey in faith, which will demand all your generosity, enthusiasm, and courage. It can be a wonderful adventure. Jesus is depending on you. He depends on you to help free the world of sin and selfishness...but always remember that you never walk alone. Christ is your constant companion.

God's kingdom will be brought to fulfillment by your efforts...first in your own lives, and then in the world around you. The world is looking for signs of God's kingdom in your lives...For this reason, I invite all of you to 'seek first His kingdom and His righteousness' (Matthew 6:33). God is love, true love. Reflect that love, so that people will say 'I have seen God's kingdom'...because they have come to know you...Follow the path marked out by your Friend, Jesus.”

HOME STUDY RE PROGRAM

At St. Jude we offer a Home Study Program for children in the non-sacramental preparation years 3rd grade through 6th grade. This is a program for children who have extracurricular commitments that fill their after school schedule and make it difficult for them to attend weekly religious education classes consistently. The children and their families attend two gatherings during the year. One gathering is in September to receive materials and one is in May to end the year of classes, and attendance at these two gatherings is required. Along with the gatherings the children receive grade level curriculum books to be completed by the end of April. They also commit to completing 8 “L.O.V.E. through Service” projects during the year.

SPECIAL NEEDS PROGRAM

At St. Jude we offer two programs for children who have been determined by parents to have learning differences. One program is a self-contained classroom that meets on Monday afternoons at 4:30pm to 5:30pm. The curriculum for this program is tailored to each child's needs. The class has one teacher to teach the class and one aide per student enrolled in the classroom. The second program is a “shadow” program. The child attends the regular class of religious education and an adult or teen helper is assigned to “shadow” the child in the classroom offering assistance and guidance to help learn about their faith.

“WE CARE” PROGRAM

This is a service program sponsored by Children's Ministries to help the young children of the parish understand the Corporal Works of Mercy, and to realize that individually and together we impact the world with our good works. Each month the program focuses on a different work as well as focusing on how we help ourselves and others at our church, in our community, in our country, and in the world. The works of mercy that we focus on during the year include feeding the hungry by completing Thanksgiving baskets in November; giving drink to the thirsty by collecting milk money for the orphans in Russia; clothing the naked by collecting baby clothes for the Gabriel Project, and visiting the sick by writing letters of cheer. The children enrolled in the weekly religious education classes also commit to completing 2 “L.O.V.E. through Service” projects during the year.

CHILDREN'S LITURGY OF THE WORD (ages 4 thru 1st Grade)

Children's Liturgy of the Word takes place during the "Liturgy of the Word" section of the Mass. All children ages 4 years through First Grade are invited to participate at the Saturday evening Mass at 5pm, or on Sundays at the 8am,

10am or Noon Masses. The children are invited to come to the altar for a blessing, and then are led to the chapel by the adult facilitators. The readings they hear are from the children's lectionary and correspond with the readings the adults are hearing in the church. Following the readings the children enter into a discussion of the readings they heard, and how they can relate them to their life. The children recite the Apostle's Creed, and participate in their own Prayers of the Faithful. Returning to Mass occurs following the Prayers of the Faithful. Parents, please watch for your children when they return from their Liturgy of the Word during Mass. Some of our little ones are confused, and it would help if they knew you were expecting them!

OUR MINISTRY

To provide an informal setting that helps our children grow in their faith through the teaching of the Gospel of Our Lord by ordinary women, men and teens.

OUR REQUIREMENTS

1. Adults to facilitate and Teen Helpers age 13 and older
2. Safe Environment cleared
3. Devote an hour a week for class preparation – curriculum books provided along with lesson plans.
4. Children's Liturgy of the Word - Be willing to volunteer every few weeks for about 20 minutes during Mass.

MONTHLY CHILDREN'S MASS - Sundays at 10am

Each month, (from October thru June) St. Jude offers a Children's Mass. This program works in conjunction with the "We Care" program and we enlist the help of our fifth and sixth grade Religious Education students. The children participate in several areas of the Mass. The homily for this Mass is specifically directed to the children who are invited to sit around the altar during the homily. Each month's offering will be posted in August of each year, as well as in the bulletin each month.

L.O.V.E. THROUGH SERVICE (“Living Our Vocation Everyday” through Service)

In addition to attendance in class there are several opportunities to live our faith through our actions. These “love” events of service are a way for our parish to learn together, pray together and get to know each other and celebrate who we are as Catholics and members of St. Jude Parish. As we gather together as a St. Jude parish family all that we do together will help us grow and come to know how God, Jesus, and the Holy Spirit work in our lives. We are responding to God’s call to serve others. They are intergenerational gatherings of our parish family offered throughout the year. We will offer a minimum of 10 “LOVE” events during the year and each family enrolled in religious education is required to attend a minimum of 2 events each year. Children enrolled in the Home Study Program are required to attend a minimum of 8 “LOVE” Events during the year. Everyone in the parish is welcome and encouraged to attend. Children do not attend these Events alone, but with the entire family or at least one parent. These events include but are not limited to: Specific Family Workshops, Rosary Recitation before Mass, Adoration, Stations of the Cross, Family Potlucks, the Carnival, the Giving Tree Sort, Concerts, and other Parish Presentations. A brochure is available every year that lists all the “service” opportunities available to parents. Look for it in your child’s folder, and it is available in the Narthex and outside the Children’s Ministries office.

YOUTH MINISTRIES: LIFE TEEN (High School)

Curriculum Overview ~ High School Youth Ministry

Life Teen is our high school youth program, for youth in 9th – 12th grades. Life Teen follows the guidance of the United States Conference of Catholic Bishops (USCCB), and encompasses the two main objectives of youth ministry: *evangelization and discipleship*. Catechesis will naturally flow from our teen’s desires to know more about our Catholic faith.

Evangelization – “Life Nights”: Our Sunday evening youth gatherings focus the youth on various aspects of our Catholic Faith, by applying the basic teachings of the faith to situations they experience everyday as teenagers. This is accomplished through small group discussions and large group teaching and activities, as well as opportunities to further their own catechesis through evangelization and discipleship.. In addition to catechesis, fun and fellowship are also major components of our Life Nights. There are also various off-site youth events, retreats, lock-ins, etc., throughout the year.

Discipleship: Wednesday evenings focus on discipleship through peer-to-peer ministry. Through small group discussion, the teens are able to explore aspects of the Catholic faith at a deeper, more personal level. Also at these Wednesday evening gatherings, the youth take a more evangelistic role in doing small outreach projects such as caroling for the elderly, visiting the sick, etc. A teen Bible study may also be a component of this evening.

We encourage all youth to attend the Life Nights on Sunday evenings, which is the main element of our high school youth ministry program. Our high school program is focused on creating disciples, intentionally delving deeper into our faith in order to develop a relationship with our risen Lord. All high school youth are invited to attend both the Sunday and Wednesday programs to receive a deeper faith experience.

POLICIES AND PROCEDURES FOR CHILDREN'S MINISTRIES AND YOUR MINISTRIES

Mass Attendance

Mass attendance is the essential and central part of passing on the faith. Saint Jude's Religious Education program complements, but does not replace your children's participation at the Sunday liturgy with the family. We encourage and support your commitment to make sure your children attend Mass as well as classes, and other church events. Doing so will nourish and strengthen their faith and understanding. Discuss with your family how you will schedule attending Sunday Mass as a family and also faithfully attend Religious Education classes and Service events.

Attendance and Missed Classes

We celebrate your Baptismal commitment to educate your child at St. Jude. Regular attendance is a serious parental obligation. Irregular attendance may cause the student to miss important lessons and may result in a lack of enthusiasm for Religious Education. Regular attendance in all religious education classes is extremely important for continuity in faith development and faith experience. Please read carefully the policies for missed work for both Children's Ministries and Youth Ministries.

Children's Ministries

Each week the chapter from class will be sent home with each student. If an absence occurs the work is saved for the student until they return. The completed work is to be given to the student's teacher. Second graders must turn in missed work to the office.

Interviews for Sacramental Prep students (second grade and special sacrament classes)

- Short question and answer interviews will be scheduled for children who miss more than three days in the fall in preparation for First Reconciliation before they receive the sacrament.
- Short question and answer interviews will be scheduled for children who miss more than three days in the spring in preparation for First Eucharist before they receive the sacrament.

Reporting Absences

Parents should call the Children's Ministries office or the Youth Ministries Office if their child will not be attending class. All work should be made up for all missed classes.

COMMUNICATION

Communication between parish and family is essential. We communicate to you through the parish bulletin, announcements at the conclusion of Mass, slides shown at Mass, notes home, the website, and e-mail. There are

separate calendars for each program, which are available in each office or online. Don't forget that we rely on you to keep us informed of important developments in your family life that affect our ability to serve you.

PHOTOGRAPHY

At times photos and videos will be taken of the various activities that involve the children and youth. These photos and videos will be used to advertise programs and may be displayed on the bulletin boards or used in a video shown at Mass. A release form is on the RE registration form for parent permission to use the photos and or videos. At no time will they be used for anything not pertaining to events at the church.

SAFETY

The safety of your children is very important to us. To ensure the safety of your children we have instituted the following measures:

- [All parents of Pre K 3's to 6th grade students are required to park their cars and escort children to and from the classroom.](#)
- Parents should not leave a child in a classroom unattended by a catechist.
- Parents of 7th to 12th grade students may drop their children at the courtyard as long as there is an adult (wearing a safety vest) in attendance to see that they safely make it to the building.
- All children should arrive no more than 10 minutes before the beginning of class.

BEHAVIOR EXPECTATIONS FOR ALL AGES

Students are expected to participate in class activities and discussions. Life as a Christian is a commitment to live by the example of Jesus Christ. This includes accepting responsibility for conduct and actions, along with the commitment to respect others.

All students and adults will:

- Be courteous, respectful, and helpful to all
- Use appropriate language
- Speak kindly and respectfully to and about others
- Complete class assignments and participate in class
- Walk in the building (no running)
- Wear appropriate clothing for a learning environment
- Refrain from chewing gum, eating, or drinking in the building (without permission)
- Remain quiet in the hallways and church areas
- Use restroom facilities before coming to class
- Refrain from disruptive behavior in the building and on the grounds
- Respect St. Jude property and the property of others
- Be responsible for their actions and the consequences of those actions

For the safety of the students and the minimization of classroom disruptions, certain items may not be brought to any class. These include, but are not limited to, the following:

Real or toy knives
Skateboards

Real or toy guns
sharp objects

Beepers or pagers
matches or lighters

i-pods/ipads

handheld gaming devices

These items are subject to confiscation. Items that are confiscated will be returned to parents only.

The Catechist will handle normal discipline problems. If a problem becomes persistent, the student will be sent to the Children's Ministries Director or the Youth Director. A continuing problem may necessitate a call to the parents. A parent may be requested to attend class with a child in extreme cases and ultimately removal from the program may be necessary. Disciplinary infractions include, but are not limited to abusive language, fighting, vandalism, disrespect to catechist or other students, stealing, and leaving the building during class time is a violation of the Safe Environment policies of the Diocese of Dallas.

Cell phones

No calling or texting allowed during class and social times. There are NO exceptions to this rule. Cell phones will be held by the teacher until the parent arrives to pick up their child if it is used during class or social time. If the parent has asked that the student bring the phone to class in case of an emergency, the cell will be given to the teacher and the teacher will answer it should it ring and then give it to the student.

Restroom Breaks

NO Student of any age is permitted to go to the restroom or to get water during class unless accompanied by a catechist or aide. There are NO exceptions to this policy.

Students in JYM are not permitted to go to the restroom during the hour of class instruction, except in the event of urgency. All JYM students have an opportunity to go before the class time begins, and after the class time ends.

DISCIPLINE

It is the policy of the Children Ministries and Youth departments at St. Jude to discipline with love and understanding. The Catechists and other adult volunteers will assist students in setting classroom guidelines that reinforce Christian attitudes. However, the teachers and adult volunteers are not expected to handle serious or on-going discipline problems. The volunteers are encouraged to notify the staff of such issues in a timely manner to avoid undue stress and classroom

Students who choose to ignore requests to modify their behavior in the classroom will be sent to the office. The first time a student comes to the office, behavior expectations will be discussed with the student. If problems persist and the student is sent to the office a second time, parents will be called. If there is still no improvement, the parents will be asked to attend class with their child.

EMERGENCIES

Student Illness/Injury: Sick or injured students will come to the office accompanied by an adult. The office staff will contact the parents. In the case of serious, potentially life threatening situations emergency medical personnel will be called immediately.

Fire Alarms: Emergency exit plans are posted in all classrooms. All fire alarms are to be treated seriously by everyone in the building and appropriate actions taken immediately (Fire drill).

Tornado Warnings: Tornado drill procedures are posted in all classrooms. Whenever the tornado warning sounds, an announcement will be made throughout the building. All tornado warnings are to be treated seriously by everyone in the building and appropriate actions taken immediately.

Class Cancellations: If Allen ISD schools are closed for severe or inclement weather, classes will not be held. If you judge conditions in your area to be unsafe, please stay home and call us at 972.727.1177 ext. 2225 to inform us. Go to www.stjudeparish.com for weather announcements.

SAFE ENVIRONMENT PROGRAM FOR ADULTS

As Christian adults, we are entrusted by God with the spiritual, emotional and physical well-being of children. It is a requirement of our parish and the Diocese of Dallas that all people working with children and the elderly in any capacity in any parish sponsored program must be safety cleared before beginning to volunteer or work. Paperwork can be picked up in the front office or you may complete the form **online**. The Safe Environment Training provided by our parish for our volunteers only apply to programs and events sponsored by St. Jude Parish.

To remain in compliance with the Diocese of Dallas Safe Environment policies, all volunteers must attend a continuing safety education class annually. Recertification classes may be done online or by attending one of the monthly recertification classes. These recertification classes will be offered on a monthly basis; check the bulletin for dates and times.

Our Safe Environment program includes several elements.

There are five key elements:

1. **Complete the Diocesan Screening Form**, online or pick up paperwork from the church office.

-
2. **Attend** initial Safe Environment Training Class. These classes are offered once a month. Check the bulletin for date and time. One Saturday morning and one evening class are offered throughout the year and classes usually last about an hour and a half.
 3. **Undergo** a criminal background check and three reference checks, conducted by Accutrak Investigative Services. Accutrak is a Diocesan approved investigative vendor.
 4. **Interview** with a staff member.
 5. **Sign** Acknowledgement Form stating you have read the Diocesan Safe Environment Booklet and will comply with its requirements. This form **MUST** be signed and is required to complete your training process.

Parents, please expect to see a "security badge" on any adult participating in a parish-sponsored program. These badges insure that the adult has been properly screened and trained in the Safe Environment Program of the Diocese of Dallas. If an adult does not have a badge, please speak to a staff person or volunteer leader.

Safe Environment Training for Teens

Teens (students entering the seventh grade and older) must attend the Safe Environment Training for Teens in order to volunteer to work with children at St. Jude. These trainings are offered by the Children's Ministries Department in the Spring and early and late Summer. Currently only one training session is required until the teen reaches the age of 18 and then they must complete the Safe Environment Training for Adults.

Safety Program for Children and Adolescents

The Diocese of Dallas requires that each parish provide safety classes for children in kindergarten through 12th grade. The lessons will be taught by the program directors. Parents have the right to choose to teach these lessons at home and not have their children attend the sessions at St. Jude.

"The job of ensuring children's safety is a challenging undertaking. The prevention of child sexual abuse requires more than adult awareness, education, and training about the nature and scope of the problem. We must also give our children the tools they need to overcome the advances of someone who intends to do them harm. The *Teaching Touching Safety* program guide (*Teaching Touching Safety Guide*) is a tool designed to assist parents and teachers in this important task. The Touching Safety program is a vehicle through which parents, teachers, catechists, and youth ministers give children and young people the tools they need to protect themselves from those who might harm them.

The Touching Safety Program Lessons were created for Four Specific Age Groups:

- Grades K through 2
- Grades 3 through 5 (at St. Jude we include the 6th grade here)
- Grades 6 through 8
- Grades 9 through 12

Each year, the program provides a theme that introduces and builds on the basic concepts of the *Teaching Touching Safety Guide*. The material is developmentally appropriate for each age group and includes content and activities that reinforce the message.

The materials for teachers include everything needed to prepare for and present each lesson-including additional information to help teachers better understand the context of the materials they are about to present. For example, teachers have access to a glossary of terms for all of the lessons. They also have handouts and other reference materials-such as information on how to respond to disclosures, how to report suspected abuse, and other supplemental materials.

The lessons are organized in a three-year cycle so each child experiences a totally different lesson plan each time the materials are presented and so each child receives the full range of information from the *Teaching Touching Safety Guide* in small, "digestible" bites, over a three-year period. Then, as a child advances to the next age group, there are a whole new set of age-appropriate lessons that explore the major topics in increasingly greater detail. Our diocese may choose to present one lesson in the fall and one in the spring or to present both lessons at the same time.

The lessons cycle every three years and we are also allowed to focus some of our safety lessons on bullying, cyber-culting, internet safety, and other topics that are pertinent to the safety of children.
