<p><b>Important Information</b></p>	<p><b>Electrified &amp; Robofied—Youth Room Age 9-12</b></p>
<p><b>All campers enrolled in both MORNING and AFTERNOON camps will need to bring a sack lunch and drink each day—NO NUT products please.</b></p>	<p>This camp is an exciting combination of Science and Technology. It is for children who love to design and build with their hands. Great for our engineers of the future! Learn about Drones, Circuits, Motors, Robotics and much more. Join <b>Ann Mikelonis</b> for a fun-filled week.</p>
<p><b>Under the Sea— North Nursery Age 3-4</b></p>	<p><b>Explosive Science—Parish Hall Age 4-10</b></p>
<p>In this week-long camp with <b>Liz Runyon</b>, the children will immerse themselves in crafts, books, and activities all focused on the ocean.</p>	<p>Join <b>Jacque Santos</b> as we discover the amazing world of science and chemistry to make rockets and explosions of all kinds. Our days will include bread making with yeast, water and air rockets, chemical reactions and balloon bombs. You'll be blown away in this camp!</p>
	<p><b>Cupcakes and More II- Parish Hall Age 8-12</b></p>
	<p>In this camp with <b>Coleen O'Brien</b>, your child will enjoy baking treats such as cupcakes, buntinis, whoopie pies, and more. For snack, campers will get to sample their creations. Wed. is a beach theme where kids can come dressed in beach themed clothing. On Friday, families are invited for a tasting session at the end of camp. Each camper will come up with a new cupcake flavor with their group that day. (NOTE: This camp is mainly a baking camp and Cupcakes and More is a decorating camp.)</p>
<p><b>Art Camp - PLC 305 Age 6-8</b></p>	
<p>Join <b>Monica Sanders</b> and explore a new famous artist each day. Using paper, glue, paint, crayons, oil pastels, wire, and clay you will create unique works of art. Family and friends are invited on Friday for our gallery where we will display their amazing art from the week.</p>
