Techno-Science Fun

Making Great Artists

The Zoo - North Nursery Age 3-4

Join **Elizabeth Runyon** as we explore the creatures that live in the zoo. Activities include hands on art, story time, and a daily snack. There will be many opportunities for fun, friendship and explorations.

Techno-Science Fun—Youth Rm Age 5-8

An exciting Robotics, Science and Technology Adventure! Children will build it, break it, shape it and make it in this exciting hands-on engineering exploration with **Ann Mikelonis**. Students will learn cooperation as they work in teams of two learning scientific concepts using Legos, robots, circuits, and much more.

Making Great Artists - PLC 305 Age 6-8

Join **Monica Sanders** and explore a new famous artist each day. Using paper, glue, paint, crayons, oil pastels, wire, and clay you will create unique works of art. Family and friends are invited on Friday for our gallery where we will display their amazing art from the week.

Mystery Master Minds—Parish Hall Age 4-10

Spend the week with **Jacque Santos** using STEM skills such as laboratory science, coding, orienteering and many other skills that will help us solve a mystery scavenger hunt on Friday. Being a detective is so much fun!

Cupcakes and More - Parish Hall Age 7-12

Campers will enjoy making fun treats, delicious desserts, and learning basic decorating techniques. Each day is a different theme with Wed. being a beach theme and kids can come dressed in beach clothing. Friday is Cupcake Wars where campers use the techniques they've learned and make fun new creations! (NOTE: This camp is mainly a decorating camp and **Cupcakes and More II** is a baking camp.)
