New CD Available: Remembering Our Story: Evangelization in America During the 19th Century.

Catholicism in the United States has a challenging but rich history that is rarely told. Emily Stimpson Chapman, an experienced journalist and the author of numerous books, tells of the triumphs and obstacles that Catholics faced in the 1800s when evangelizing. Emily's telling of the immense struggles that bishops, religious, and lay people endured to spread the Gospel in the nineteenth century offers us relatable role models and inspiration as we face challenges in our own day.

Advent Giving Tree: Thank you to all of the parishioners who participated in the Advent Giving Tree project. Whether you donated money or bought gifts for the children; be assured that your generosity is much appreciated by those who received those gifts. A special thank you to Darci Schettler, who organized the effort, to members of the youth group, to Kelly Fritel, and to those children of the parish who assisted with the project.

**Wishing the Parish Families of St. Joseph's and St. Paul's
the Blessings of His Peace this Christmas and in the New Year!**
