

Serra Club of Indianapolis
Robert Alerding
2021 Altar Server Award

For many years, the Serra Club of Indianapolis has provided certificates and medals honoring graduating eighth graders who were altar servers at masses in parishes in the Archdiocese of Indianapolis.

If you will provide the names of those servers who have served masses through the eighth grade, certificates will be prepared that can be signed by your pastor, and awarded to the graduate at a graduation ceremony or some other special event. (If your parish uses a different year other than 8th, the certificate does not specify a year. Some parishes recognize their seniors or 6th graders.)

If you have one individual who has performed exceptionally as an altar server in the past year, please provide his/her name, and a medal will be provided acknowledging extraordinary service. In the past, some parishes have requested more than one. However, we believe that awarding multiple "altar server of the year awards" minimizes the significance of this achievement, and ask that you please select only one server for this award.

Please send the following information in a timely manner:

- Names of your 8th grade altar servers(parish school and religious educ)
- Identity of the "altar server of the year"
- Please let us know the date you need the awards
- Name of Person / Contact and church address.

To: Marilyn Ellis at:
marel123@yahoo.com, or
8017 Rissler Dr., Indianapolis, IN 46237
Questions? Marilyn Ellis 317-258-1376

Alternatively, you are welcome to provide the information to your parish Serra Club representative, who will forward them to Ms Ellis.

Thank you for allowing the Serra Club of Indianapolis to be part of this recognition.
