MR. MICHAEL J. DEEGAN, SUPERINTENDENT

April 7, 2020

Dear Catholic School Families,

As you know the Superintendent of Schools Office and the Inner City Scholarship Fund are working to secure every possible benefit for our families during these challenging times.

As you visit WWW.CATHOLICSCHOOLSNY.ORG you will see additional resources and benefits updated on a regular basis. In particular, with this communication, we wanted to share that we are advocating for every child who may need a computer/chromebook whose family is unable to secure one. Thanks to generous donors and government funds we are hopeful that we may be able to assist those who need it most. We have already loaned out some devices from our schools to families to meet the immediate needs.

Later today you will receive a phone call to your home number and if there is no answer today we will call your cell phone tomorrow asking you about access to computers/chromebook in your home for your son(s) or daughter(s). Please respond to the automated telephone survey; there is no other way to participate in this survey.

Below is that script that will be used so you have a copy in advance of the call.

Wishing you all a blessed Holy Week and Happy Easter!

Sincerely,

Michael J. Deegan
Superintendent of Schools
Archdiocese of New York
