

Grade 7 Math and ELA Information for the Week of October 11

*I hope that you all enjoyed your day off on Monday.

Assessments this week

Math – No exam this week

ELA – Test Thursday on “A Simple Act” and “from An Invisible Thread” (both from My Perspectives)

Reminders:

- All written homework assignments, as well as studying assignments, need to be written in the planner.
- All assignments need to be submitted the day that they are due. If you do not finish an assignment during class, you are reminded by me that you need to finish it for homework and submit it the following day. If you are absent the day an assignment is due, you need to hand it in the day you return from your absence.
- Since I see you multiple times a day, if you are late and miss class or are leaving early for an appointment, you need to ask for the work for that day.
- All work and exams missed when you are absent from class need to be made up. You need to ask me for the missed work upon your return from the absence. The completed work needs to be handed in the following day.
- Parents: If you have not sent me an email, with your child’s name in the subject, please do so as soon as possible. When online assessments are given, I inform the parents via email so they can see the assessment and the grade received. I also use email as the main form of communication with parents. My e-mail is pfinnegan@hfsny.org
**A few exams and the grades on those exams have already been released to the students online. Parents whose emails I have were notified of the release of the exams and the grades on those exams.
