A LITTLE ABOUT ME

Hello Kindergarten families!
My name is Janise Martinez. I am excited to be your child's teacher this year. This will be my 6th year of teaching early childhood. I am also one summer away from completing my masters in school counseling. I have a husband and an Akita, Sheppard mixed dog named Luna.

I truly believe I was made to be a teacher. I promise to love your child and our classroom family. It is going to be an awesome year!
