

Grade 7 Math and ELA Information for the Week of September 27

Assessments this week

Math – Quiz Monday (that was originally scheduled for last Friday) on Lesson 1-2: Understand Rational Numbers

ELA – Test Thursday on “Two Kinds” from My Perspectives.

Reminders:

- All written homework assignments, as well as studying assignments, need to be written in the planner.
- All assignments need to be submitted the day that they are due. If you do not finish an assignment during class, you are reminded by me that you need to finish it for homework and submit it the following day.
- All work and exams missed when you are absent from class need to be made up. You need to ask me for the missed work upon your return from the absence.
- Parents: If you have not sent me an email, with your child’s name in the subject, please do so as soon as possible. When online assessments are given, I inform the parents via email so they can see the assessment and the grade received. I also use email as the main form of communication with parents. My e-mail is pfinnegan@hfsny.org
