## DON'T BE ANXIOUS

People have, it seems, a natural penchant for misplaced emphasis on unimportant things. They can easily get caught up with what they're having for dinner or what they will wear.

Often it is a tragedy that helps people to refocus on what is really important. What I shall wear is an irrelevant question when I am facing surgery or chemotherapy. What's for dinner is immaterial to those living through grief or unemployment.

In today's Gospel, Jesus tells us not to worry. He doesn't say, "Don't eat. Don't cook. Don't buy clothes." He says, "Don't worry." Jesus asks us not to relinquish our responsibilities but to let go of our anxiety. Anxiety betrays a lack of trust and Jesus reminds us that "Your heavenly Father knows" all that you need (Matthew 6:32).

## Diabetes Awareness Health Fair

Join us at the **Thensted Center** on **March 15th** from **10:00 AM** until **12:00 PM** for a free diabetes awareness health fair!

Nursing students from UL Lafayette will be offering diabetic risk assessments, diabetic foot screenings, vision testing, vital sign assessments, and information about the prevention and management of diabetes all free of charge.

## A Stewardship Moment

St. Paul reminds us as baptized Christians, as those who have shared the Eucharist with one another, that we are "servants of Christ and stewards of the mysteries of God." We are not to define ourselves by our age, ethnicity, gender, social status, work, vocations or avocation. Our primary self-understanding should be that of servants and stewards of the Lord and all that has been entrusted to us. Can we accept this self-understanding? Do we find it encouraging?

*Please continue to pray for peace around the world. Pray for all world leaders and especially for our men and women in military service.*
