GOOD SEEDS

Today Jesus continues to speak to his followers using parables. What a rich treasure we are given today in three parables about the kingdom of heaven! The kingdom is likened to a man sowing good seed in his field, a mustard seed, and yeast mixed with flour. As they did last week, today the disciples press Jesus for an interpretation of one of the parables—the parable of the man sowing good seed. Lest we think that these parables are simply amusing little anecdotes, Jesus’ interpretation should be seen for what it is—a warning. Wailing and grinding of teeth in a fiery furnace await those who are children of the evil one. This parable points to the struggle for today’s believer. Sometimes, through sin, we sow weeds and prevent the love of Christ from blossoming. Let today’s Gospel help put us back on track. Let us recommit ourselves to preparing for the last days, the harvest, by blossoming as the good seeds we were created in love to be.

O God, whose Only Begotten Son entrusted **Mary Magdalene** before all others with announcing the great joy of the Resurrection, grant, we pray, that through her intercession and example we may proclaim the living Christ and come to see him reigning in your glory. Who lives and reigns with you in the unity of the Holy Spirit, one God, forever and ever.

“Abortion kills twice. It kills the body of the baby and it kills the conscience of the mother. Abortion is profoundly anti-women. Three quarters of its victims are women: Half the babies and all the mothers.”
