Next weekend we will celebrate **World Mission Sunday**. Pope Francis invites the entire Church to support mission dioceses in Africa, Asia, the Pacific Islands, and parts of Latin America and Europe, where priests, religious and lay leaders serve the world's most vulnerable communities. **Confirmation**-Last Sunday's Purpose lesson covered "Vocations". Catholics use the word "vocations" often, but many teens do not know what it actually means; it includes both universal and particular vocations. Each person has the same universal vocation: the call to holiness. We must respond to this vocation during every moment of our lives.

**LifeTeen**—Registration is now CLOSED. Our first LifeNight took place on Sunday, October 10th. Our first session together included a Vocations panel to share and talk about various ways we can live out God's call in our lives.

## THE HUMANITY OF JESUS CHRIST

All three readings today support—each in its own way, of course—a reflection on the humanity of Jesus Christ and how that humanity played a key role in the drama of our salvation. Although not chosen specifically to coordinate with the other two readings, today’s second reading does in fact carry forward the theme of Christ’s humanity in a remarkable way. The author of the Letter to the Hebrews highlights the solidarity that exists between Jesus and us, precisely because in his human nature Jesus has known the same sufferings and testing that are our own experience. Because he can “sympathize with our weaknesses,” we can “approach the throne of grace to receive mercy.” For the author of Hebrews, the humanity of Jesus was an essential requirement for his redemptive death, as well as an invitation to us to find in Jesus someone with whom we can identify in our daily struggles.
