Message from the Principal

What a year! Where did it go? I would like to take this opportunity to thank the entire Holy Trinity community for being so welcoming and positive with the new administration and the large turn over in staff. This year has been challenging at times, but very rewarding. This community is extremely vested in their children and their faith. My administration team and I have learned a lot over the course of the year. We are looking forward to building upon an already strong foundation while bringing in some new ideas as we move forward over the next few years. We appreciate the feedback and assistance from those who have reached out to teach us the ways of the Mustang! Thank you for your patience and understanding as we learn each and every day. Peace be with all of you this summer break. Enjoy time with family, rest up and we all will look forward to a terrific 2017-18 school year.

Be sure to check the website for summer office hours.

Hard copies of Report cards will not be sent home this year. They will be available starting May 25th at noon online on educonnect and be live until we shut down the system to roll over data for next year on June 2. You can print from that site. Please contact the office if you have a problem access the report card.

For the kids,

Mr. Merfen

CONGRATULATIONS and Good luck!

Two of the HTS Destination Imagination teams qualified to attend and compete in the GLOBAL competition this year! 4th grade - Super Secret Spies and 5th grade - Goldfish are both heading for Knoxville, TN this week to compete against teams from around the world.

Global Finals is the culminating event of every Destination Imagination season.

DI teams that advance past Regional and Affiliate (state/country) Tournaments are invited to participate in Global Finals—the world’s largest celebration of student creativity. Each May, more than 1,400 of the top-scoring DI teams from 45 U.S. states and 14 countries gather in Knoxville, Tennessee to showcase their innovative Challenge solutions. More than 17,000 people attend the event each year. The scheduled festivities include the Destination Imagination Tournament, interactive exhibits, pin trading, skills workshops, international events and more.

We want to congratulate these two teams for reaching this prestigious level of competition and send our warm wishes and prayers for safe travel, loads of fun, and competition success as they represent HTS.
