

H. Em. Cardinal Gérald C. Lacroix is pleased to welcome you in the Archdiocese of Quebec in charming Quebec City for the 54th Convention of the Canadian Canon Law Society from 21 to 24 October 2019.

Founded in 1608, the city of Quebec is the cradle of French America. With 400 years of history, Old Quebec, with the Place Royale and its stone buildings, narrow streets and imposing Citadel, is the sole fortified city north of Mexico.

Quebec is also the Rue du Trésor with its painters, the Grand Allée and its many restaurants and outdoor patios, its street musicians, the Chateau Frontenac, the Dufferin Terrace and the Plains of Abraham of the Battlefields Park. A UNESCO world heritage treasure, the City of Quebec is a city of a thousand faces to be discovered on each trip.

You will stay at the Hotel Le Concorde with its 406 rooms and suites which overlooks the St Lawrence River and is located near all the tourist sites. You can thus take advantage of the city's activities or its many parks and green spaces. Welcome!
