Introduction to the liturgy of the Day

We begin Catholic Schools Week today. You may not have a child in Catholic school or even a child of school age, but that doesn't mean that this week is not important to you, too. Catholic education is a key way we transmit our faith, beliefs, and traditions onto the next generation, as well as teaching reading and math and all subjects that our young ones need to succeed and contribute to society. Let us recall those who have taught us- our parents, teachers, other family members, priests, sisters and brothers- and thank them for the worlds they have opened to us.

Introduction to the Liturgy of the Word

Deuteronomy 18:15-20

*I will raise up a prophet
and I will put my words into his mouth.*

Psalm 95

"If today you hear his voice, harden not your hearts."

1 Corinthians 7:32-35

*A virgin is anxious about the things of the Lord,
that she may be holy.*

Mark 1:21-28

He taught them as one having authority.

God has blessed us with many leaders who have brought God's word to the people. Moses promised the Chosen People that God would raise up a prophet among them who would speak God's words. Saint Paul was called by God to preach to Gentiles all over the known world. Jesus spoke words with power to drive out unclean spirits, astonishing the people in the synagogue with his authority. Let us listen attentively to the living word of God and hear Jesus' voice still speaking to us in our house of worship.

### A CURE FOR THE CORONA CRAZIES

It will soon be 12 months (3/16/20) since our lives were changed by the Corona Virus Pandemic here at Holy Family. During this afore mentioned time we all have experienced weariness, depression, anxiousness, and just plain feel like we are going to "go crazy!" Some of us along with our families have been able to partially return to some degree of "normalcy", at least enough to get us through the above mentioned feelings.

I have learned that there are some persons in our parish that the pandemic has really put them in a very precarious situation and are very much in need of kind words and cheering up to help them get through this pandemic.

So if anyone would like to send a "kind word" or a "thinking of you" card to help them get through this pandemic time, please contact me at the rectory (**starting Monday, Feb 1st**), as I have a list of parishioner's names and addresses who would love to hear from you! >Dan

Thank you for your support for the **Collection for the Church in Latin America**. As a parish, what we collect will be used to share the faith with our brothers and sisters in Latin America and the Caribbean, so they, in turn, can share the Good News with others. It's not too late to donate by making a designated check or cash to **Holy Family**, then dropping in the collection basket.
