

9/5/21

Dear HRS Families,

Our prayers for you and your families and friends that everyone is safe after the recent storm.

HRS had some basement flooding due to the large volume of rain, like so many others in our area. The water was immediately extracted, the areas professionally dried and then sanitized. Thankfully only minor damage and a few of our areas will need rewaxing. We are fortunate that our maintenance staff were on scene to begin cleanup and take care of the situation and prevent any damage until a professional remediation company arrived on site.

As we celebrate Labor Day, we know that it's now time for our final reminders before our first day of classes on Wednesday September 8th!

Please take time to read the reminders below (some items have been communicated before while others are new)
