We are creating a summer day camp to accommodate our parish and school families during June and July! The camp will be directed by certified teachers and high school students assisting as camp counselors to offer a variety of activities involving physical activities, both indoors and outdoors. Students will participate in daily religious activities, story time, free reading time, free choice play and off campus field trips!

Additional information about your camper (medical info, emergency contacts, field trip permissions, etc.) will be requested once your registration is accepted. Registration due date is April 15th. If you have any questions about the camp, please call the school office (636-239-2590 ext 1270). We look forward to having a fun summer with you!

Your partner in learning in faith, Mrs. Linda Pahl, Principal
